# EARTHlite®

World's #1 Brand in Massage™

*A Vortex is a powerful and transformational point where the earth's energy is focused, somewhat like the energy meridians and acupuncture points of the human body. Many people feel vortexes heighten healing and psychic abilities.*

**Vortex™**  
Portable  
Massage  
Chair  
*User Guide*

### **Important**

- Beware of pinch points when setting up and breaking down the chair.
- Make sure that the seat, armrest, and headrest are securely fastened before seating your client.
- The Vortex chair is exceptionally strong and stable. However, it is not designed for use with clients who weigh over 300 lbs.
- Use only mild soap and warm water in the cleaning of your vinyl, using a non-abrasive sponge or rag. For disinfecting, use Viraguard™, or other hospital grade disinfectants. Do not use Armorall™ or similar protectants, as they may damage your vinyl.
- Avoid storing your Chair in extreme temperature and humid environments, especially car trunks. We recommend the use of a carry case for storage.
- Check screws and bolts periodically, tightening as necessary. A drop or two of WD-40™ should alleviate any squeaking that may occur during the long lifetime of the product.

## **The Earthlite Vortex Portable Massage Chair**

Congratulations on the purchase of your new Earthlite Vortex Portable Massage Chair. With proper care, your chair should provide many years of healing.

### **Set up and Adjustment**

- Remove chair from box and/or carry case.
- Unhook elastic strap from latchpoint under seat.
- Unfold front legs to open chair.
- Lift seat and place into one of three seat adjustment positions, as appropriate.
- Release headrest locking arm and unfold headrest. Adjust the headrest height and angle for maximum comfort. Lock by pushing down on the locking arm.
- Lift armrest and firmly place armrest locking arm into one of three armrest adjustments positions.
- Loosen chest support knob to adjust height of chest pad, as needed. Retighten knob.
- Adjust arm, seat and headrest positions, as necessary.

### **Breakdown and Storage**

- Lift armrest and lower into down position.
- Release headrest, lower, and relock.
- Release seat from adjustment bracket and fold seat down against knee pad.
- Slide front legs to closed position.
- Re-attach elastic strap into latchpoint under seat or store in carry case if one has been purchased.

### **LIFETIME LIMITED WARRANTY**

Earthlite guarantees our Vortex portable massage chair, excluding the foam and vinyl, against defects in material and workmanship for as long as you, the original purchaser, own the chair, or for five years after the model is discontinued. The foam and vinyl are warranted for three years from the original date of purchase. This warranty does not cover damage caused by misuse, accidents, or neglect, which includes tears in the upholstery and damage caused by harsh chemical-based cleaners. This warranty is limited to product repair or replacement, at Earthlite's sole discretion. You are responsible for shipping the product back to the factory for any warranty claim. Earthlite will return the warranted product, shipping prepaid, to customers in the continental USA. International customers are responsible for all shipping charges (inbound and outbound), as well as any applicable duties, and taxes.
