

Jabra Elite Active 65t

Engineered for true wireless music, calls and sport.

No strings attached.

A fit that's snug and secure.

Enjoy an actively lifestyle with secure fitting earbuds that provide dependable in-ear stability.

Built for active lifestyles.

Jabra Elite Active 65t features an IP56 rating, with 2-year warranty against sweat and dust*. Wherever your day takes you, and whatever your activity, it won't get in the way of enjoying sports, music and calls.

Power your performance.

With up to 5 hours of battery on a single charge, and up to 15 hours in total with the pocket-friendly charging case, your needs are met from the start of the day, to its end.

Proven connectivity.

With Jabra 3rd generation true wireless stability that helps reduce call and music dropouts, there are no wires to get in the way and no reason why you can't enjoy conversations and uninterrupted music.

Music, the way you want to hear it.

Listen to your music your way. Personalize the sound with a customizable equalizer found in the Jabra Sound+ app.

Voice command made simple.

Jabra Elite Active 65t lets you instantly connect to Alexa**, Siri® or Google Assistant™, allowing you to quickly get the information you need – whether that be setting appointments, finding nearby events, or having messages read back to you. And with Bluetooth 5.0 you can seamlessly connect the Elite 65t to your smartphone.

Optimize your workouts.

Track fitness and performance with an integrated motion sensor
