# Ozeri INSTAVAC™ FOOD STORAGE SET

---

## Notes:

1. When using in the microwave, be sure that the valve lever is up (in the open position) to allow excess pressure to escape
2. Allow fine powder to settle before create a vacuum. This will prevent powder from entering the valve itself.
3. Changes in air temperature, air pressure, and longer periods of storage can cause the vacuum to weaken at times. To correct this, periodically push down on the center of the top lid to recreate the vacuum.
4. WARNING: This product contains small parts which may present a choking hazard to children. Keep this product away from children.

## Ozeri Warranty:

Your Ozeri Food Storage Container Set is warranted to the original owner for 1 year from the date of purchase against defects in material and workmanship under normal use and service. Should your Food Storage Container Set prove defective within 1 year from the date of purchase, return the defective part or unit, freight prepaid along with an explanation of the claim to Ozeri. Please pack carefully to avoid damages in transit. Under this warranty, Ozeri will repair or replace any parts found to be defective due to a manufacturer's defect. This warranty extends only to personal use and does not extend to any product that has been used for commercial use, rental use, or use which is not intended. There are no warranties other than that expressly set forth herein. This warranty is not transferable. Ozeri is not responsible in any way for damages, losses or inconveniences caused by equipment failure or by user negligence, abuse, or use not in accordance with the "User Guide" or any additional safety, use, or warnings included in the product materials. Further, Ozeri is not liable for incidental or consequential damages of any nature resulting from the use of this product and any liability shall not exceed the purchase price of the product. This Warranty gives you specific legal rights. You may also have other rights which vary from state to state.

## THIS WARRANTY DOES NOT APPLY TO THE FOLLOWING:

Damage due to accident, misuse, abuse, alterations or vandalism.  
Improper or inadequate maintenance.  
Unauthorized modification or commercial use.  
Damage in return transit.  
Unsupervised use by children under 18 years of age.

## INSTAVAC™ FOOD STORAGE SET 8-Piece Set (4 Food Containers with Lids)

Model# FS1: User Guide

# Ozeri INSTAVAC™ FOOD STORAGE SET

## Congratulations on your purchase of the Ozeri InstaVac™ Food Storage Set.

The Ozeri food containers utilize a patented valve that reduces air volume so naturally occurring bacteria is less able to grow, and food stays fresh longer. The valve makes it easy to create and release a vacuum. When left in the open position, the valve helps prevent spills and splatters when the containers are used in a microwave. Each container features a date dial to track the number of days your food has been stored. Your Ozeri InstaVac™ Food Storage Containers are BPA-free, stain-resistant, shatter-proof, and safe to use in the freezer, microwave and dishwasher. **Please keep this manual handy for future reference.**

Model# FS1: User Guide  
8-Piece Set (4 Food Containers with Lids)

## Creating and Releasing an Instant Vacuum:

**STEP 1**

Place items into the Ozeri food container and lock the handles of the lid into place. Ensure the valve is in the sealed position.

**STEP 2A**

Using either your thumbs side-by-side (2a) or the forefingers of both hands (2b), simply press down on center of lid. This forces air out through the one-way valve, but not in. Repeated pushes will increase the vacuum. The green vacuum indicator in the center of the valve will pop down and whistle as the vacuum seal is created.

**STEP 2B**

**STEP 3**

Set the date dial on the valve to the day of the month to track the date on which the food was first stored.

**STEP 4**

To release the vacuum, pull the one-way valve lever up and listen to the whistling sound as air rushes back in. The vacuum indicator pops up indicating the vacuum has been released.

**STEP 5**

Release the handles and remove the lid.
