How to connect Gosund Smart Plugs to Smart Life

Note:
1. Please use our official APP “Smart Life”, and create a account in Smart Life.
2. Choose 2.4G Wifi for the first connection.
3. Two mode for choosing: Easy Mode and AP Mode. Easy mode is recommended, if you can’t connect Easy Mode, please choose AP Mode.

Easy Mode
1. Please choose “Add Device” or the “+”:

![Add Device Button](image)
2. Choose “Electrical outlet”
3. Make sure “the indicator light rapidly blinks”, then “Confirm”;

Power on the device and confirm that indicator light {text highlighted: rapidly blinks}

How to make indicator rapidly blink

Confirm indicator rapidly blink
4. Enter your home wifi code, please make sure the wifi code correct, then confirm.
5. Wait the connection to 100%
6. Successfully, and you can rename the plug if you like
AP Mode

1. Choose AP Mode:

Power on the device and confirm that indicator light rapidly blinks

How to make indicator rapidly blink

Confirm indicator rapidly blink
