Getting Started

Setup Overview

▲ Remove Existing Doorbell

▲ Install Doorbell Cam

For complete, step-by-step installation instructions, visit [august.com/install](https://www.august.com/install)

▲
Set Up with August App

▲
Use Doorbell Cam

Warning:

Installing the Doorbell Cam involves working with your home's electrical wires. Disconnecting power to your doorbell is a precaution we recommend. If you have any questions about this, please consult an electrician for assistance.
