Product Details

- **Key Benefits**

  Clinically **proven nutrition** that can transform your pet's life.

  Hill's® Science Diet® Adult Large Breed dog food provides precisely balanced nutrition tailored for a visible difference in large breed dogs.

  - Natural sources of glucosamine & chondroitin for joints & mobility
  - Clinically proven antioxidant benefits
  - No artificial colors, flavors, or preservatives

Benefit	Nutrient	How it Works
Healthy joints & cartilage	Glucosamine & Chondroitin	Natural sources of glucosamine and chondroitin are the building blocks for healthy joints and cartilage.
Healthy immune system	Vitamins C + E	Clinically proven antioxidant blend with vitamins C + E to help support a healthy immune system
Digestibility	Natural High Quality Ingredients	Natural, high quality, easy-to-digest ingredients with no artificial colors, flavors or preservatives for a flavorful, nutritious meal
Healthy skin and shiny coat	Omega-6 fatty acids & Vitamin E	Exclusive blend of omega-6 fatty acids, vitamin E and other nutrients nourishes the skin and promotes a noticeably shiny coat in 30 days*

Recommended For:

Large breed adult dogs 1 -- 5 years of age with an ideal weight of 55 -- 110 lbs and giant breeds 1 -- 4 years of age with an ideal weight of 110+.

Not Recommended For:

Large breed puppies, pregnant or nursing dogs. During pregnancy or nursing, dogs should be switched to: **Science Diet® Puppy Healthy Development or Science Diet® Puppy Healthy Development Small Bites**

Additional Info:

Great tasting natural* nutrition for a long, happy life. With a wagging tail and licks on your face, no one can say hello like your dog. Because every moment you spend together is special, we strive to give you more of them. With natural ingredients and the right nutrients, Hill's Science Diet is precisely prepared to offer your dog the nutrition he needs for lifelong health and happiness.

We make every bag of our dry dog food in our own US facilities with highest quality ingredients from North America, Europe and New Zealand. These ingredients must meet our strict requirements for purity and nutrient content, which exceed industry standards.

You can make a difference in the lives of shelter pets. With every purchase of Science Diet you help feed over 100,000 homeless pets every day, 365 days a year.
