

Important Safety Instructions

- Avoid dropping.
- Do not disassemble.
- Do not submerge in water.
- This device is for indoor use only.
- This device should not be exposed to dripping or splashing water.
- Do not install near any heat sources.
- Do not place any sources of danger on this device (e.g. liquid filled objects, lighted candles).
- Use only with power supply provided with the device.

Notice

The product has been assessed to meet safety, health, and environmental protection requirements.

This product is designed and manufactured with high quality materials and components, which can be recycled and reused.

Do not dispose of electrical appliances as unsorted municipal waste; use separate collection facilities. Contact your local authority for information regarding the collection systems available. If electrical appliances are disposed of in landfills or dumps, hazardous substances can leak into the groundwater and get into the food chain, damaging your health and well-being. When replacing old appliances with new ones, the retailer is legally obliged to take back your old appliance for disposal at least free of charge.

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
