**CAMEO**™  
electronic cutting tool

The Silhouette CAMEO™ connects to your computer, allowing you the freedom to cut all your fonts, download thousands of designs from the Silhouette Online Store, or design shapes of your own with the included software.

## What can you do with your Silhouette CAMEO™?

- Cut fonts already installed on your computer
- Resize designs and text from 1/4" to 12" wide and 10' long

- Cut a variety of materials including:
  - cardstock
  - paper
  - chipboard
  - fabric
  - adhesive vinyl
  - transparencies
  - magnet paper
  - vellum
  - heat transfer material

- Use the Silhouette with your home printer to create detailed, full-color cutout designs

The Silhouette CAMEO™ has an optical scanner that reads registration marks printed with your design and cuts precisely around the image.
