

LOLA

SEALED OVER-EAR
HIGH FIDELITY HEADPHONES

CLEARLY. DIFFERENT.

So you've decided to join the ranks of the headphone rebellion—welcome! Inside this box is LOLA, a completely reimagined headphone that delivers superior sound and listen-all-day comfort. LOLA's custom 50mm drivers and advanced ergonomic design provide a mind-blowing listening experience on professional AV gear, laptops, tablets, and more. This is no ordinary headphone—it's for true music lovers. And it's all yours.

START ME UP.

LOLA comes with two cables: a 1.2-meter cable with built-in controls and microphone for Apple iPhone and iPad, and a standard 3-meter cable. To plug in, insert the end of either cable into the left earcup opening.

ANY WAY YOU WANT IT.

LOLA's multi-jointed headband provides individual fit and comfort while adapting to any head shape and size. Not only does this design deliver better sound (thanks to excellent sound isolation and bass response), it also provides superior comfort so you can wear your LOLA longer. We don't want anything getting between you and your music.

JUST WHAT I NEEDED.

Your LOLA package contains:

- LOLA
- Soft case with cable storage pocket
- 1.2-meter audio cable with Apple iPhone/iPad controls and microphone
- 3 meter audio cable
- 3.5mm to 1/4" adaptor
- User manual

6
