

Smartbase® Premium 18inch Platform Bed Frame Instructions

Full / Queen / King / Cal King Size

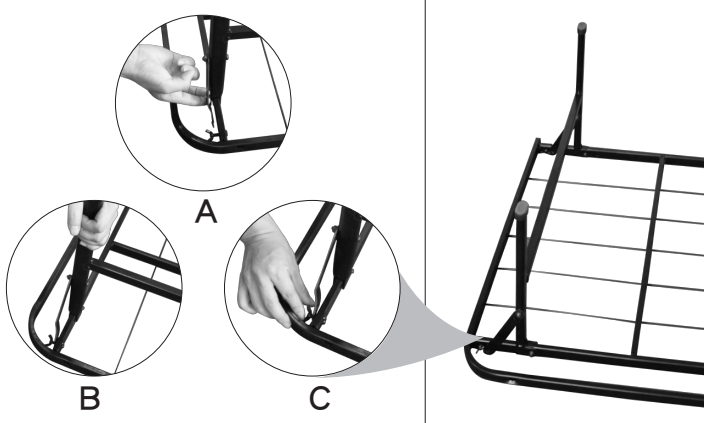

Set-up Instructions

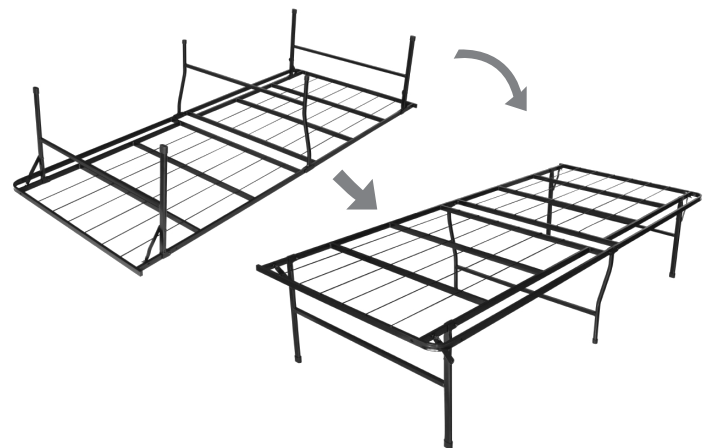

Step 1. Pull out all components from the box and lay them on the floor.

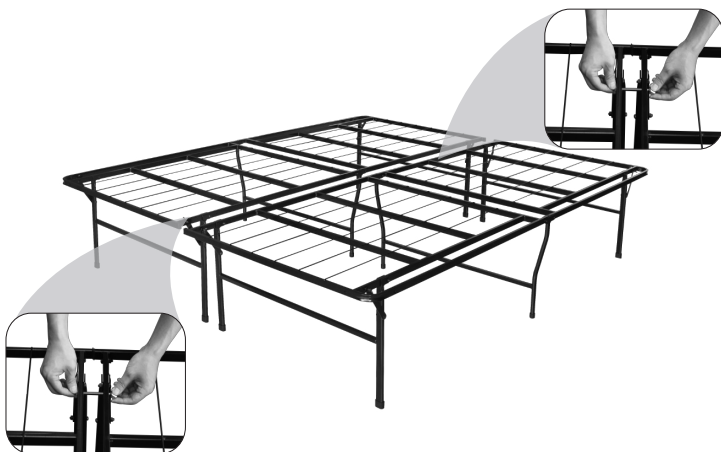

Step 2. Unfold the frame.

Step 3. Extend four legs and rotate four support arms to hook on the bolts of four corners then tighten and secure the wing-nuts as pictured.

Step 4. Turn over the frame to an upright position.

Step 5. Apply the wing-nuts to the bolts to combine the two foundations.

Step 6. Please check to make sure that all support arms are in the right place and secure.

Please follow the Set-up Instructions in reverse to Disassemble your Smartbase® Premium 18inch Platform Bed Frame
