DESCRIPTION:

The PEAK 1200, 2000 and 3000 Watt Work Zone™ Mobile Power Outlets convert your vehicle's power to standard household power through 110/120 Volt AC outlets and one 2.1 Amp USB port by connecting directly to your ride's battery. You'll get continuous household-strength power and surge tolerance with these Mobile Power Outlets. The ETL certification means both products are safe and will not damage the vehicle or products it's powering. And its automatic shutdown and alarm protects against overload, over temperature, and low/high battery conditions. These Work Zone™ Mobile Power Outlets are equipped with mounting brackets for easy installation, heavy-duty connecting cables to the battery, and a remote on/off switch with 10 ft. cable. The 1200 Watt Mobile Power Outlet also includes a 10-foot outlet accessory installation kit for permanent installation in your vehicle, making it perfect for tailgating, camping, or working on the job site.

BENEFITS:

WORK ZONE™ MOBILE POWER OUTLETS
