Highlights

The Smart 3-Way Switch Upgrade

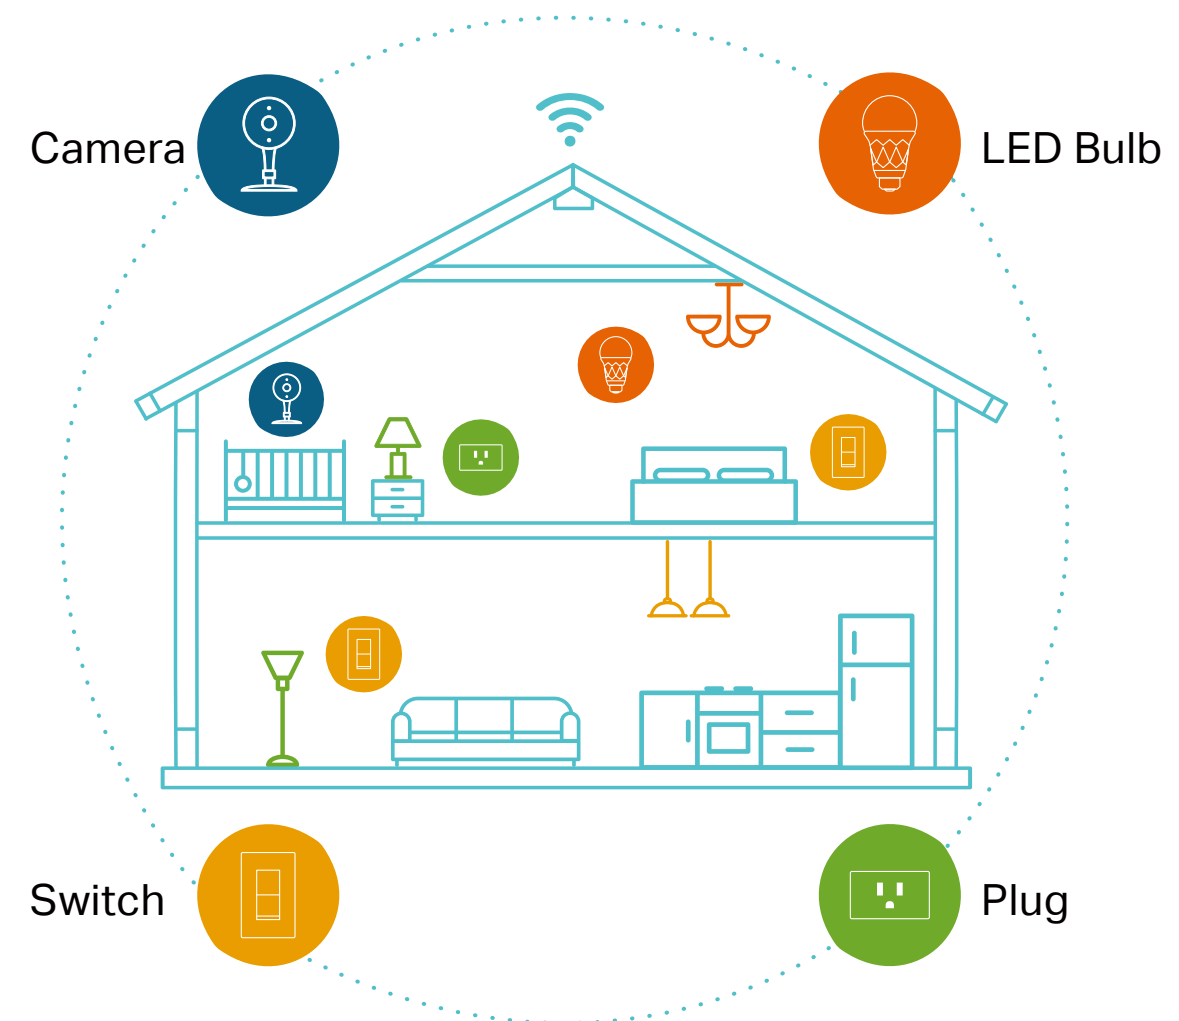

3-Way Switching, where a light is controlled from two switch locations, is common in hallways, stairs, and living rooms. 3-Way Switch wiring can be complex, but TP-Link's Smart 3-Way Switch Kit makes it an easy smart home upgrade and provides control from anywhere, scheduling, and much more. The Kit includes 2 smart switches specially designed for 3-way switch wiring. The free Kasa app provides step-by-step instructions for wiring your switches and connecting them to your home Wi-Fi network.

Phone not included;
Works with iOS and Android

Your Home. One App.

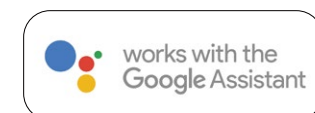

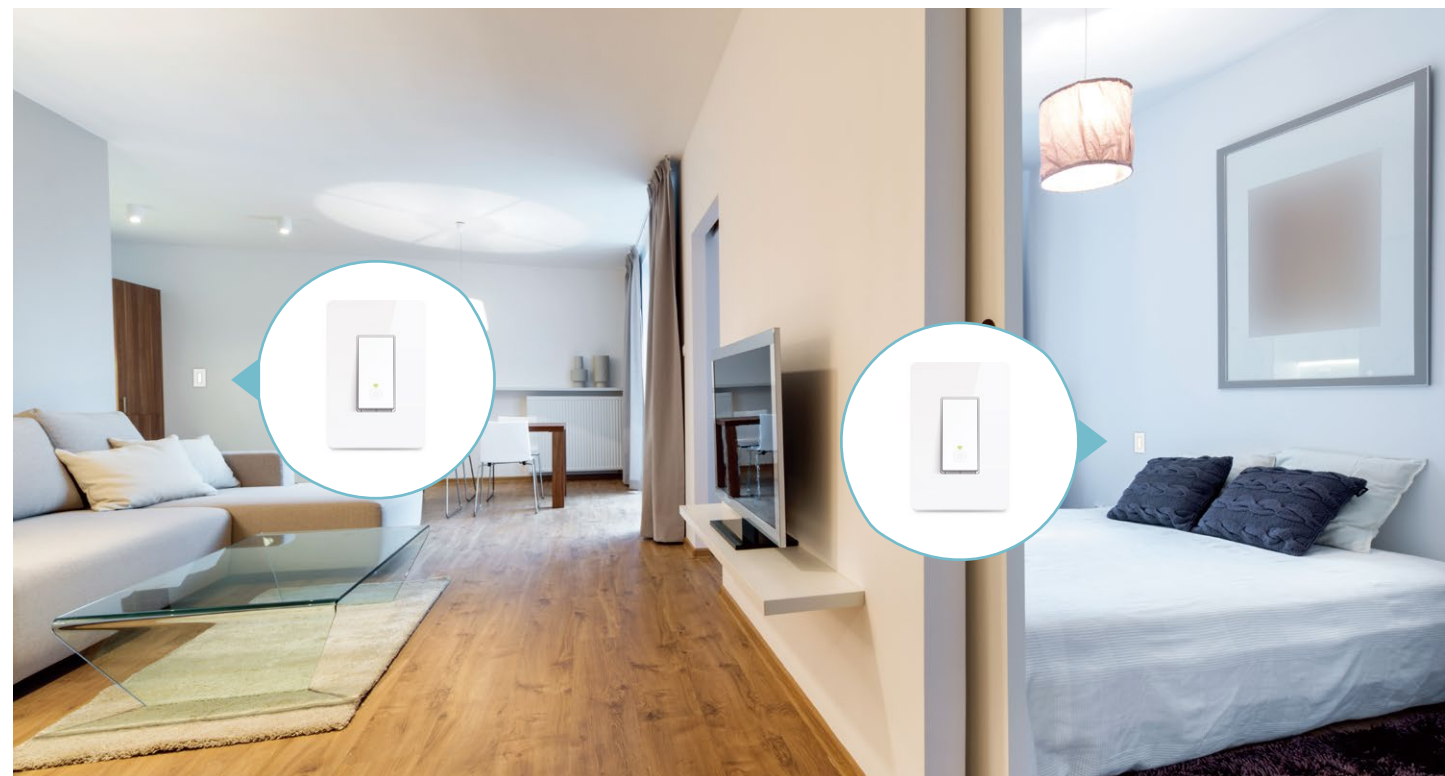

The HS210 Kit is part of the Kasa smart home family of devices including plugs, cameras, switches and more. With Kasa, your home is never more than a few taps away.

Highlights

Enjoy Hands-free Experience

Connect your Smart Switch to Amazon Alexa or Google Home to enjoy a full hands-free experience.

Control for Peace of Mind

Turn fixtures on and off based on your daily schedule and preferences. With "Away Mode", improve your home security by automatically turning lights on and off to make it seem like you're home.

Features

Ease to Use

- Easy Install – Step-by-step install instructions on the Kasa app.
- Anywhere and Anytime – Set up the HS210 KIT and control lights from anywhere with the free Kasa app.
- Scheduling – Set lights to turn off and on at set times throughout the day or night.

Compatibility

- Works with Amazon & Google Assistant – Easily control your lights by voice commands through support from Amazon Alexa and Google Assistant.
- Compatible with Android, iOS – The free Kasa app lets you run Smart Switch Kit from any Android (4.1 and higher) or iOS (iOS 9 and higher) devices.
