LIMITED WARRANTY

Electromechanical:

All components of electromagnetic products are covered by a limited warranty period of one year after invoice date thereof of the original purchaser from us.

Keying Systems:

All bittings shall be originated or authorized by the Yale Key Systems Department to be compatible with one another in a specific type of cylinder (conventional, patented, security, high security, interchangeable core) and within a particular keying system.

Warranty for Cylinders Factory or Field Combined:

Cylinders shall be periodically lubricated depending on environmental conditions. Dry graphite, molybdenum disulfide or PolyLube™ are recommended. Petroleum based liquid lubricants should only be used in cylinders in harsh or corrosive environments and should not be mixed with dry lubricants.

Warranty for Cylinders Field Combined:

- Keys shall be cut to the Yale key biting specifications required for the particular keyway and depth system.
- All pin lengths shall be selected according to prevailing factory standards.
- Original Yale cylinders and cylinder components, including pin tumblers and key blanks, shall be used. We reserve the right to void the warranty if we deem that a malfunction is a result of non-original components which do not conform to Yale standards.

General Procedure

Product repair or replacement, or associated charges, will not be accepted under this warranty unless prior authorization from Yale has been given. Upon receipt of products returned for repair or replacement, we will determine whether products qualify for repair or replacement under this warranty. If they do not, we will obtain authorization prior to proceeding. We have no liability to pay any costs of repair performed by anyone other than qualified personnel authorized by Yale prior to the work being done.

The Company will not pay for the cost of repair performed other than in accordance with this warranty. Written notice of a product or component part believed to be defective as covered by this warranty should be sent to Yale Security, Inc., 1902 Airport Road, Monroe, North Carolina 28110, and should include your name and address, an identification of the product or component part and a brief description of the defect. Upon receipt of such notice, the Company will inform you where to ship such product or component part, shipping charges prepaid for examination and, in the event such examination reveals a defect covered by this warranty, the product will be repaired or replaced. The Company reserves the right to replace discontinued product with an equivalent product as deemed by the Company.

THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES. TO THE EXTENT PERMITTED BY LAW, ALL IMPLIED WARRANTIES ARE LIMITED TO THE DURATION OF THIS WARRANTY. YALE SECURITY, INC. SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.
