Super-wide-angle power

Perfect for shooting even in severe conditions, the M.ZUIKO DIGITAL ED 7–14mm 1:2.8 PRO lens features a robust construction that won't hold you back. It's compact, lightweight design is ideal for photo assignments anywhere in the world. What's more, this lens works with the OM-D's built-in IS for sharp, handheld nightscape shots. Whatever the scene, you have excellent edge-to-edge depictive power thanks to the special lens architecture and ZERO coating for reduced ghosting and flaring.
