Version: V1.0
Material Safety Data Sheet

Section 1-Chemical Product and Company Identification

Product: Flameless LED Candles
Common name: Flameless LED Candles
Trade mark: Comenzar
Manufacture: Bestworld Corporation Ltd
Address: RM1611, DONGFENGBUILDING, NO.2010, SHENNAN MIDDLE ROAD, FUTIAN, SHENZHEN, CHINA
Post Code: 518000          Fax No: 0755-33352930         Emergency Telephone: 0755-33352931

Section 2- Composition/Information on Ingredient

### Section 3- Hazards Identification

**Fatalness:** When assessing action take Risk & Safety Phrases into account.

**Invasion route:**

- **Skin touch:** Sensitive skin will cause damage, and avoid repeated contact for a long time.
  - **Eye touch:** There will be no dangerous during normal use. May causes eyes irritation, redness, and pain when prolonged or repeated contact.
  - **Inhalation:** There will be no dangerous during normal use.

**Ingestion:** Ingestion may cause mouth, throat and intestinal buns irritation and damage. Get medical aid.

**Health hazards:** Under normal use won't produce harm.

**Environment hazards:** Under normal use won't produce harm.

**Burn & Burst danger:** Flammability.

### Section 4- First Aid Measures

- **Skin touch:** If there is any unwell reaction, remove contaminated clothes. Wash thoroughly with soap & water, flush with plenty of water.
- **Eyes touch:** Rinse immediately with plenty of water for at least 15 mins. Contact a doctor if symptoms persist.
- **Inhalation:** There will be no dangerous during normal use.
- **Ingestion:** Rinse mouth out with water.
Section 5- Fire Fighting Measures

Danger characteristic: Case of fire can burn. Can react with oxidants.

Extinguishing Media: Use Carbon monoxide, carbon dioxide, nitrogen oxide and foam as appropriate for materials in surrounding fire.

Fire-Fighting: The staff must wear the clothes which can deference the fire and toxic gas. Put out the fire in the upwind direction. Avoid using direct streams of water or foam on molten burning material as it may scatter and spread the fire.

Recommended: N/A

Special measures: N/A

Extinguishing procedures: N/A

Section 6- Accidental Release Measures

Personal precautions: Avoid inhalation & direct contact with skin & eyes. Use individual protective equipment (safety glasses, waterproof-boots, suitable protective clothing) in case.

Environment precautions: Keep ventilation to the area.

Cleaning up methods: Vacuuming or wet sweeping may be used to avoid dust dispersal.

Section 7- Handling and Storage

Precautions in handling: Provide good natural ventilated condition.

Storage conditions: 1. Keep in a tightly closed container.
2. Stored in a cool, dry, well-ventilated place.
3. In appropriate place to post warning signs.
4. Packaging with film, Keep out of the reach of children.

Fire protection: Keep away from ignition sources & naked flames.
# Material Safety Data Sheet

## Section 8- Exposure Controls, Personal Protection

**Respiratory protection:** Apply local ventilation where possible. Wear a self-contained breathing apparatus if necessary.

**Hand protection:** Use chemically resistant gloves if required.

**Eye protection:** None under normal use. Wear chemical safety goggles if required.

**Skin protection:** Use rubber apron and protective working if required.

**Other protective equipment:** Wash hands after use and before drinking, eating or smoking. Wash hands thoroughly after cleaning-up components.

## Section 9- Physical and Chemical Properties

**Physical State:** Solid

**Color:** The sample is composed of several components, there is no specific color.

**Odor:** N/A

**Density:** N/A

**Evaporation point:** N/A

## Section 10- Stability and Reactivity

**Stability:** Normal conditions and stability.

**Avoid material:** Strong oxidizers.

**Avoid contact with conditions:** N/A

**Aggregate hazard:** N/A

**Decomposition products:** N/A

## Section 11- Toxicological information

This product have mild toxicity. Ingestion may cause mouth, throat and intestinal buns irritation and damage. Get medical aid.
Section 12- Ecological Information

Biodegradability: Data not available

Precautions: Not available

Section 13- Disposal Considerations

Waste disposal methods: Whatever cannot be saved for recovery or recycling should be managed in an appropriate and approved waste disposal facility.

Note: Consult your local or region authorities, disposal subject to national, state, or local laws.

Section 14 – Transport Information

Dangerous goods code: N/A

UN code: N/A

Package mark: N/A

Packaging categories: N/A

Packaging Methods: N/A

Attentions for Transportation: THE CONSIGNMENT IS NOT CLASSIFIED AS DANGEROUS UNDER THE 57TH EDITION OF THE IATA DANGEROUS GOODS REGULATIONS AND ALL APPLICABLE CARRIER AND GOVERNMENTAL REGULATIONS. Under current regulations, international road transport of dangerous goods (ADR), international railway dangerous goods transport (RID), international maritime dangerous goods code (IMDG), international air transport association (IATA) regulations, the product is not dangerous.
Section 15- Regulatory information

Regulatory Information: N/A

Note: 《Rules of the labor safety facilities》, 《general rules of hazard substances and hazardous substances, 《the toxic chemical substance administration law》, 《the road traffic safety rules》, 《the workers work environment in the air of pests to allow liquid degree of standard》, 《the cause of waste the deposit removal treatment methods and facilities standards》, 《Hazardous chemicals transport custody system》

Section 16- Other Information

The above information is based on the data of which we are aware and is believed to be correct as of the data hereof. Since this information may be applied under conditions beyond our control and with which may be unfamiliar and since data made available subsequent to the data hereof may suggest modifications of the information, we do not assume any responsibility for the results of its use. This information is furnished upon condition that the person receiving it shall make his own determination of the suitability of the material for his particular purpose.
