### 1. Product overview

- 1 -

### 2. Accessories

1. USB charging cable
2. USB Car charger
3. Manual
4. Crystal windscreen holder
5. Crystal visor holder
6. Sun visor clip

**Note:** All accessories are also available on [avantree.com](http://avantree.com).

- 2 -

### 3. Pairing and connecting

- Step 1** Ensure the speakerphone is off.
- Step 2** Press and hold MFB button for 2 seconds until LED indicator flashes blue and red alternatively.
- Step 3** Activate Bluetooth on your phone and select "Avantree Sunday Plus" to pair and connected.
- Step 4** The Car Kit is ready for use now.

#### Reconnect Bluetooth

Whenever you turn Sunday Plus on again it will automatically reconnect to the phone. When losing connection, the car kit will automatically switch itself off after 30 minutes.

- 4 -

### 4. How to use

- 5 -

**Note:** some functions are mobile dependent and may not work with some phones. The LED will show red during mute mode. Contact us at [support@avantree.com](mailto:support@avantree.com) for details.

### 5. How to pair with two mobile phones simultaneously (multipoint function)

The default setting of Sunday Plus' multipoint function is on.

- Step 5** Pair and connect Sunday Plus with the first phone as above.
- Step 6** Turn off the Sunday Plus.
- Step 7** Lets it going to pairing mode again by press and hold MFB button for 2 seconds until LED flashes red and blue alternately.
- Step 8** Pair and connect with the second phone as above.
- Step 9** Power off and power on Sunday Plus again. Then it will automatically connect with the last 2 paired phones

- 6 -

### 6. Restore to default settings

You may need to reset Sunday Plus if it is not working as expected. When it is reset to factory default settings, all the paired mobile phones information will be erased.

- Step 1** Press and hold both V+ and V- for about 10 seconds until the LED flashes

- 7 -

blue and red, then release the buttons.

- Step 2** Power off Sunday Plus. After being powered on again, it will enter pairing mode automatically.

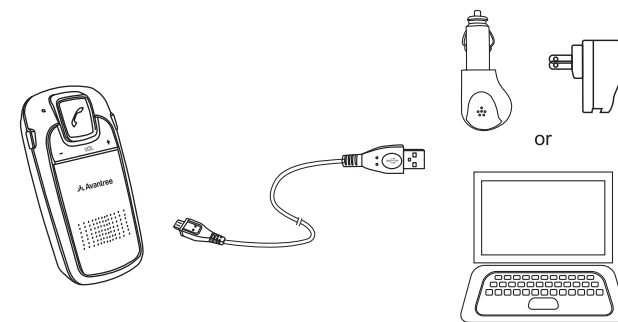

### 7. How to charge

When the battery becomes low, the LED will flash red every 7 seconds, and you should recharge your Sunday Plus. Please charge by using the supplied car charger, USB charger or PC USB port. It normally takes about 4 hours to fully charge the battery. The LED will indicate red when charging and off when charging is complete.

#### Charging requirements:

You can plug our supplied USB cable to your own USB chargers (wall charger/travel charger/car charger, etc.) with 5V/500mA-1A or PC USB port. It is OK to use most mobile phone chargers on the market.

- 8 -

### 8. Product specification

- Bluetooth compliance specifications: V4.0
- Operating frequency band: 2.4GHz ~ 2.48GHz unlicensed ISM band
- Operation range: Class 2, up to 10 meters

- 9 -

- Support profiles: HSP, HFP, A2DP profile (GPS instruction announcement and music)
- Stand-by time: About 250 hours/10 days
- Talk time: About 3 hours
