IMPORTANT SAFEGUARDS
When using an electrical appliance, basic precautions should always be followed, including the following: READ ALL INSTRUCTIONS BEFORE USING THIS VACUUM CLEANER
Failure to follow the warnings and instructions may result in electric shock, fire and/or serious injury.

**WARNING**

- Prevent unintentional starting. Ensure the switch is in the off-position before connecting to battery pack, picking up or carrying the appliance. Carrying the appliance with your finger on the switch or energizing appliance that has the switch on invites accidents.
- Do not touch nozzle when vacuum cleaner is on. Danger.
- Do not put any object into openings. Do not use with any openings blocked; keep free of dust, lint, hair and anything that may reduce air flow.
- Do not use outdoors or on wet surfaces.
- Do not operate the vacuum cleaner or charger if it has been damaged in any way. If vacuum cleaner is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, return it to a service center.
- To avoid excessive heat and damage to the unit or battery, the vacuum cleaner will not operate while charging.
- Do not allow to be used as a toy. Close attention is necessary when used by or near children.
- Use only as described in this manual. Use only manufacturer’s recommended attachments.
- Recharge only with the charger specified by the manufacturer. A charger that is suitable for one type of battery pack may create a risk of fire when used with another battery pack.
- Do not pull or carry the charger by cord, use cord as a handle, close a door on cord, or pull cord around sharp edges or corners. Do not run appliance over cord. Keep cord away from heated surfaces.
- This charger is not intended for use by travelers.
- Do not use extension cords or outlets with inadequate current-carrying capacity.
- Do not use without filters in place.
- Do not use appliance if it has a damaged cord or plug, a damaged battery pack, has been dropped or damaged, left outdoors, or dropped into water. Return appliance to a service center before using.
- Use extra care when cleaning stairs. Do not use to pick up flammable or combustible liquids, such as gasoline, or use in areas where there may be open flames or sparks.
- Handle battery pack with care. Do not disassemble, crush, puncture, short internal contacts or dispose of in fire or water.
- Do not charge the battery pack or appliance outside of the temperature range specified in the instructions. Charging improperly or at temperatures outside of the specified range may damage the battery and increase the risk of fire.
- Do not use a battery pack or appliance that is damaged or modified. Damaged or modified batteries may exhibit unpredictable behavior resulting in fire, explosion or risk of injury.
- Do not expose a battery pack or appliance to fire or excessive temperature. Exposure to fire or temperature above 130°C may cause explosion.
- Have servicing performed by a qualified repair person using only identical replacement parts. This will ensure that the safety of the product is maintained.
- Do not modify or attempt to repair the appliance or the battery pack except as indicated in the instructions for use and care.
- The terminals on both the vacuum cleaner and battery should be kept free of metal objects. Do not insert metal objects inside the terminals.
- This vacuum cleaner creates suction. Keep hair, loose clothing, fingers, and all parts of the body away from openings and moving parts.
- Do not pick up anything that is burning or smoking, such as cigarettes, matches, or hot ashes.
- Do not use without filters in place.
- Use extra care when cleaning stairs.
- Do not use to pick up flammable or combustible liquids, such as gasoline, or use in areas where they may be present.
- Store vacuum cleaner and charger indoors in a cool, dry area. To avoid electric shock and/or cleaner damage, do not expose to weather elements.
- Keep your work area well lit. Unplug electrical appliances before vacuuming them.
- Overcharging, short circuiting, reverse charging, mutilating or incinerating the cells and the batteries must be avoided.
- If a cell or a battery has leaked or vented, it should be replaced immediately using new ones at the same time.
- If a cell or a battery has leaked or vented, it should be replaced immediately using protective gloves.
- If and when necessary, these cells or batteries must be replaced with identical new ones from the same manufacturer. If a cell or a battery to be replaced is connected with other cells or batteries in series, it is recommended that the other cells or batteries be replaced with new ones at the same time.
- Reverse polarity installation of the cell or the battery in the end product must be avoided.
- Do not incinerate this appliance even if it is severely damaged. Contact local waste facility before discarding in trash.
- WARNING: This product can expose you to chemicals including Styrene, which is known to the State of California to cause cancer, and Bisphenol-A, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

SAVE THESE INSTRUCTIONS
**What comes in the carton**

- Battery
- Hand vacuum
- Wall mount
- Charger
- Crevice tool
- Wand
- Motorized floor nozzle
- 3 screws & drywall anchors
- 2-in-1 upholstery tool (NEC122, NEC126)
- Motorized pet tool (NEC126)

**Additional tools on select models**

www.eureka.com
Easy assembly

1. Slide battery onto hand vacuum until firmly attached (Fig. 1).
2. Slide wand onto hand vacuum until it clicks (Fig. 2).
3. Push wand into motorized floor nozzle until it clicks (Fig. 3).

How to install wall mount

- Choose location near power outlet. Locate point high enough on wall to allow wand and motorized floor nozzle to hang freely.
- Place mount against wall and use pencil to mark drill holes.
- Drill holes (with 1/4" bit) and insert drywall anchors. Insert screws through holes on mount and tighten until firmly attached (Fig. 4).

How to charge battery and store accessories

- Place assembled vacuum cleaner on wall mount.
- Plug charger into power outlet and then into charger port on handle (Fig. 5).
- Loop charger cord into clips on sides of wall mount.
- Snap tool(s) into tool storage areas (Fig. 5).

Battery indicator lights show level of charge (Fig. 5):

- A. Fully charged
- B. Half charged
- C. Low power

- Indicator lights stop blinking when fully charged.
- Charge battery fully before using for the first time. This may take up to four hours.
How to use cleaner for cleaning floors
1. Click power button once to start (Fig 1).
2. Using motorized floor nozzle, glide back and forth on area to be cleaned.
   Avoid oversized or sharp items (such as screws) with cleaner.
3. Twist wrist to engage swivel function.
4. When done, click power button once to stop motor.

Empty dust cup after every use
There are two ways to empty the dust cup:
1. Hold cleaner over waste basket. Press lever to release bottom lid of dust cup to empty debris (Fig. 2).
2. Remove dust cup from hand vacuum by twisting to ‘unlock’ position (Fig. 3). Once emptied, reattach dust cup by lining up arrow ▲ and ‘unlock’ ▲ position. Twist dust cup until arrow ▲ lines up with ‘locked’ ▲ position.

How to use hand vacuum and accessories

CAUTION
Moving parts! Always turn off hand vacuum before attaching accessories.

The hand vacuum can be used with or without tools.
• To use without tools, press release button and remove wand. Collect debris directly with hand vacuum nozzle (Fig. 4).
• To use tools with wand, press release button to remove motorized floor nozzle. Slide tool onto end of wand until it clicks (Fig. 5).
• To use tools with hand vacuum only, press release button to remove wand. Slide tool onto hand vacuum until it clicks.

Crevise tool: Cleans hard-to-reach areas such as corners, baseboard edges, dryer vents, chairs and sofas.

www.eureka.com
How to use hand vacuum and motorized floor nozzle

Ideal for cleaning stairs.

• Press release button to remove wand from hand vacuum. Attach motorized floor nozzle directly to hand vacuum until it clicks.
• Click power button once to start.

Additional accessory tools on select models

Use with or without wand.

• **2-in-1 upholstery tool:** Use brush to vacuum blinds, vents or upholstered surfaces. Use felt portion to clean delicate surfaces. To switch between felt and brush portions, press thumb release and slide brush up or down.

• **Motorized pet tool:** Use to easily remove pet hair from stairs, carpet or upholstery. Adjust angle of motorized pet tool to suit different surfaces.

How to clean motorized pet tool

• Remove hair and debris from brushroll after each use.
• If necessary, remove bottom plate of motorized pet tool by pulling on two clips in back. Use scissors to cut any tangled hair or threads. Reattach bottom plate by pressing into place until it snaps on both front and back.
How to maintain your vacuum cleaner

**CAUTION**
Never operate vacuum cleaner without all filters, filter screen and dust cup in proper position.

**WARNING:** Moving parts! Recharge cleaner after each use.

### Dust cup – Empty after each use
- Hold over wastebasket and push lever to release bottom lid. Debris will empty.
- Or, remove dust cup by twisting to ‘unlock’ position. Empty debris. Reattach dust cup and twist to ‘lock’ position.

### Washable dust cup filter – clean monthly
1. Twist dust cup and remove.
2. Twist filter screen and remove.
3. Lift out foam filter and holder.
4. Rinse and dry THOROUGHLY.
5. Place foam filter and holder in filter screen.

### Washable post-motor filter – clean every 6 months
1. Twist filter cover and remove.
2. Lift out post-motor filter.
3. Shake to remove dust.
4. Every 6 months, replace filter or rinse and dry THOROUGHLY.
5. Reposition filter and cover and twist to ‘lock.’

### Washable brushroll – clean frequently
- Place motorized floor nozzle upside down. Use fingers to remove clog or debris. Do not use scissors or knife to cut strings and threads.
- If debris cannot be removed easily, remove retainer clip to access brushroll. Using flathead screwdriver or coin, turn screw to the ‘unlock’ position.
- Remove retainer clip and lift out brushroll to clean and remove debris. Brushroll is washable. Roll in a towel to absorb water; dry THOROUGHLY before reassembling.
- To reassemble:
  1. Align one end of brushroll with floor nozzle gear.
  2. Press other end into slot.
  3. Hook retainer clip under tab and press down.
  4. Insert screw and turn to ‘lock’ position.

www.eureka.com
The Eureka two-year limited warranty

Midea America Corp. (“Eureka”), subject to the terms and conditions herein, warrants this vacuum cleaner to be free from defects in material and workmanship for a term of two years from the date of original purchase when used in accordance with the Eureka operating and maintenance instructions and under normal household usage. This warranty is granted only to the original purchaser and members of immediate household, and is applicable only to original purchases from Eureka authorized resellers.

What Eureka will do:

Eureka will, at its option, repair or replace a defective vacuum or vacuum part that is covered by this warranty. Repairs may be performed using new or refurbished parts that meet or exceed Eureka specifications for new parts. If Eureka elects to replace the vacuum, the replacement may be a reconditioned unit. Depending on availability of products, Eureka reserves the right to provide you with a replacement product that is the same or similar, or substitute equivalent of the original product. As a matter of warranty policy, Eureka will not refund the consumer’s purchase price.

This warranty does not cover:

• Battery module and battery components. The battery module and its components are covered by a separate one-year limited battery warranty.
• Normal wear and tear of the vacuum and vacuum parts that require replacement under normal use such as disposable dust bags, filters, drive belts, light bulbs, brush-roll, bristles, impellers and cleaning.
• Damages or malfunctions resulting from: improper or unreasonable use or maintenance, abuse, negligence, failure to follow instructions contained in any written materials that accompany the product, deterioration by reason of excess moisture, corrosive atmosphere, lightning, power surges, connections to improper voltage supply, unauthorized alteration, or other external causes such as extremes in temperature or humidity, modifications, scratches or discoloration, accidents, misuse, or acts of God. This warranty also does not cover damage resulting from repair or attempted repair by anyone other than Eureka or an authorized Eureka Warranty Station. This warranty is not applicable to any product that has been altered or on which the serial number has been defaced, modified or removed. Altering, erasing, or forging any proof-of-purchase documents voids any applicable product warranty.

Obtaining warranty service:

To obtain warranty service you must contact the Eureka Service Team, toll free, at 1-800-282-2886 or email eureka@speedymail.com, to discuss the warranty claim and procedures to be followed. All warranty claims must include submission of proof-of-purchase documentation. For additional information, you may also visit www.eureka.com.

Shipping charges:

You will be responsible for any initial shipping and insurance charges if the defective product(s) must be shipped for warranty service or warranty evaluation; however, Eureka or a Eureka Authorized Warranty Station will pay the return shipping charges if repairs are covered by the warranty. When returning parts for repair, you must include the model, type and serial number located on the rating plate on the lower backside of the vacuum. If any product submitted for warranty service is found to be ineligible, an estimate of repair cost will be furnished and the repair performed only if requested by the owner and upon receipt of payment or acceptable arrangements for payment.

Further limitations and exclusions:

Any warranty that may be implied in connection with your purchase or use of the vacuum, including any warranty of Merchantability or any warranty of Fitness For A Particular Purpose is limited to the duration of this limited warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. Your relief for the breach of this warranty is limited to the relief expressly provided above. In no event shall the manufacturer be liable for any consequential or incidental damages you may incur in connection with your purchase or use of the vacuum. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights. You may also have other rights, which may vary by state.

The Eureka one-year battery warranty

Midea America Corp. (“Eureka”), subject to the terms and conditions herein, warrants this Battery Module to be free from defects in material and workmanship for a term of one year from the date of original purchase when used in accordance with the Eureka operating and maintenance instructions and under normal household usage. This warranty is granted only to the original purchaser and members of immediate household, and is applicable only to original purchases from Eureka authorized resellers.

What Eureka will do:

Eureka will, at its option, repair or replace a defective Battery Module or battery part that is covered by this warranty. Repairs may be performed using new or refurbished parts that meet or exceed Eureka specifications for new parts. If Eureka elects to replace the Battery Module, the replacement may be a reconditioned unit. Depending on availability of products, Eureka reserves the right to provide you with a replacement product that is the same or similar, or substitute equivalent of the original product. As a matter of warranty policy, Eureka will not refund the consumer’s purchase price.

This warranty does not cover:

• Normal wear and tear of the Battery Module and battery parts that require replacement under normal use.
• Damages or malfunctions resulting from: improper or unreasonable use or maintenance, abuse, negligence, failure to follow instructions contained in any written materials that accompany the product, deterioration by reason of excess moisture, corrosive atmosphere, lightning, power surges, connections to improper voltage supply, unauthorized alteration, or other external causes such as extremes in temperature or humidity, modifications, scratches or discoloration, accidents, misuse, or acts of God. This warranty also does not cover damage resulting from repair or attempted repair by anyone other than Eureka or an authorized Eureka Warranty Station. This warranty is not applicable to any product that has been altered or on which the serial number has been defaced, modified or removed. Altering, erasing, or forging any proof-of-purchase documents voids any applicable product warranty.

Obtaining warranty service:

To obtain warranty service you must contact the Eureka Service Team, toll free, at 1-800-282-2886 or email eureka@speedymail.com, to discuss the warranty claim and procedures to be followed. Eureka Customer Service HELPLINE 1-800-282-2886
Problem solving

⚠️ Make sure vacuum cleaner is off and charging plug is unplugged.

**NOTICE: Thermal cut-off**

This vacuum cleaner has a special thermostat that protects the vacuum cleaner in case of motor overheating. **If the vacuum suddenly shuts off**, proceed as follows: 1) Check the vacuum for a possible source of overheating such as a full dust cup, blocked wand or clogged filters. If these conditions are found, fix them and wait at least 30 minutes before attempting to use the vacuum. 2) After the 30 minute period, press the power button. If the vacuum still does not work, call the Eureka Customer Service HELPLINE.

Discarding the vacuum and battery pack

⚠️ Before you discard this vacuum, dispose of battery in an environmentally safe manner. Do not discard battery with your regular household trash.

**Important battery disposal information.**

To find a disposal location nearest you, call 1-800-822-8837.

To preserve natural resources, please recycle or dispose of expired battery pack properly. This product contains a lithium-ion battery. It must be disposed of properly. Local laws may prohibit disposal of lithium-ion batteries in ordinary trash. Consult your local waste authority for information regarding available recycling and/or disposal options.
