

# Snow / Ice Windshield & Wiper Protector

12 powerful and heavily padded magnets

Thank you for choosing our Brand New Premium Windshield Cover. Here is what you should expect from your brand new car accessory.

**ORIGINAL DESIGN** You are now the owner of an original windshield protector that's equipped with 12 powerful and heavily padded magnets that will secure the Snow Cover in place without scratching your car's hood.

**SAVE TIME & ENERGY** No more scraping off and brushing off ice during chilly winter mornings. Just remove your Windshield Cover and drive off with no delay or distractions.

**PERFECT FOR EVERY WEATHER** Whether it's sunny or windy, icy or snowy, rainy or foggy. The snow cover will maximally protect your vehicle and ensure your maximum convenience.

**EFFORTLESS INSTALLATION** Being 100% compatible with all standard vehicles – including yours – Snow cover is extremely simple to install and uninstall. Just turn this card over and discover the detailed instructions on how to install and uninstall this Snow Cover every single day.

Mod. Nr: BRTN00110

## Snow / Ice Windshield & Wiper Protector

### How To Install (3 Easy Steps)

- 1 Secure the powerful, padded magnets on the outside of your vehicle's windscreen.
- 2 Securely close both doors with the flaps being inside. Tie the strap belts together before exiting your car for additional stability and much stronger hold.
- 3 Walk away from your car!

### How To Remove (3 Easy Steps)

- 1 Unlock and open your car doors.
- 2 Remove the Snow cover and fold it in the provided self-pouch.
- 3 Drive off to work or daily errands with a frost-free windshield and a cool car interior!
