

REAL SOUND BY DESIGN

Jabra®

REAL SOUND BY DESIGN

Jabra Eclipse will ensure that you never have to miss a conversation. With a sleek and elegant design, and unrivalled in-ear sound quality, you'll feel like you're there. It's time to experience real sound by design.

IMMERSE YOURSELF IN CONVERSATION.

With an immersive music-grade speaker, Jabra Eclipse gives you unrivalled sound quality, whether you are taking calls, listening to your messages, or simply enjoying an audiobook.

BUILT FOR SUCCESS. DESIGNED FOR STYLE.

There is nothing in the rules that says you can't live for success and be stylish while doing so. Jabra Eclipse is our lightest ever headset. A powerhouse of technology, wrapped inside an elegant and sleek body, giving you ultimate comfort.

BE ON THE RUN, BUT NEVER BE OUT OF TOUCH.

The carry case that holds the Jabra Eclipse is more than just that, it is also a portable charger that gives your Eclipse an additional 7 hours of talk time, for a total of 10 hours.

ACCESS YOUR LIFE THROUGH YOUR POCKET

Imagine being connected to email, texts, phone calls and music without ever having to touch your phone. Jabra Eclipse seamlessly connects with Google Now/Siri so you can just leave your phone in your pocket.

THERE IS AN APP FOR THAT.

Jabra Assist is the most powerful voice assistant on the market, allowing you to completely revolutionize your call experience. Customize your audio quality, change your spoken language, read out text messages* and much more.

*Text messages read out is for Android only

QUICK START GUIDE - GET STARTED UNDER 5 MINUTES

1 HOW TO CONNECT

CONNECT WITH A BLUETOOTH DEVICE

1. Dock the headset in the charging case, and ensure the headset is charged.
2. Press and hold (3 secs) the **Jabra** button on the bottom of the charging case until the light flashes blue.
3. Wear the headset and follow the voice-guided instructions.

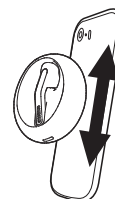

NEED MORE HELP?

For more help getting connected and personalizing your headset, download the **Jabra Assist** app for iOS and Android.

CONNECT WITH AN NFC-ENABLED DEVICE

Slide your NFC-enabled device against the NFC zone on the back of the charging case until a connection is confirmed on your mobile device.

ON-THE GO CHARGING

Dock the headset in the charging case for on-the-go charging. It takes approx. 2 hours to fully charge the headset.

USB CHARGING

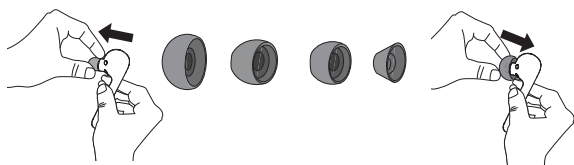

Plug the charging case into a power supply using the USB cable. The headset will also be charged when docked in the charging case. It takes approx. 3 hours to charge the headset and the charging case together.

2 HOW TO WEAR

The headset is worn on the right ear only. For the optimal sound quality and the most comfortable fit, select the correct EarGel size and ensure the headset is fitted correctly into your ear.

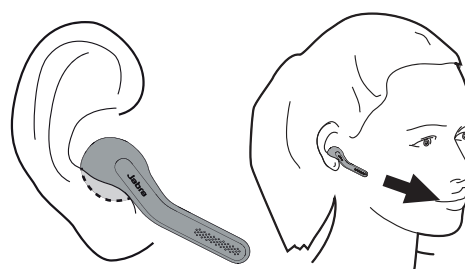

SELECTING THE CORRECT EARGEL SIZE

The headset is supplied with four EarGel sizes: large, medium, small and extra small. The correct EarGel will feel tight and decreases surrounding sounds.

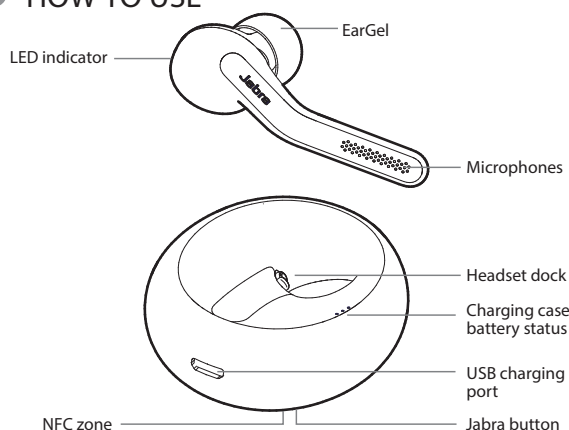

GETTING THE CORRECT FIT

Fit the headset firmly inside your right ear canal, and angle the microphone down towards your mouth.

3 HOW TO USE

USING THE CHARGING CASE

	Turn on headset	Undock the headset from the charging case
	Turn off headset	Dock the headset in the charging case
	Answer call	Undock the headset from the charging case
	End/reject call	Dock the headset in the charging case

HEADSET IN EAR

	Answer call	Gently double-tap the headset, or say 'Answer'
	End call	Gently double-tap the headset
	Reject call	Say 'Ignore'
	Siri/Google Now	Gently double-tap the headset when not on a call
	Headset battery status	Gently tap the headset when not on a call
