Where to find important vacuum information

Keep this information

Write the model, type and serial number here:
Date of purchase (keep your receipt) _______________
Model number and type ________________________
Serial number _________________________________

Find these numbers on a label on the middle back side of the vacuum cleaner. Refer to these numbers when ordering parts and accessories or if service is needed.

This Owner’s Guide provides important instructions to prolong the life of your Eureka vacuum cleaner.

Registration: To register your product visit www.eureka.com and click on the ‘Register Your Product’ link in the top right corner.

Inspection: Carefully unpack and inspect your new Eureka vacuum cleaner for shipping damage. Each unit is tested and thoroughly inspected before shipping. For instructions regarding any shipping damage, call Eureka Customer Service HELPLINE 1-800-282-2886 immediately.

IMPORTANT SAFEGUARDS
When using an electrical appliance, basic precautions should always be followed, including the following:
READ ALL INSTRUCTIONS BEFORE USING THIS VACUUM CLEANER

WARNING

To reduce the risk of fire, electric shock, or injury:
• Do not use outdoors or on wet surfaces.
• Do not leave vacuum cleaner when plugged in.
Turn off the switch and unplug the electrical cord when not in use and before servicing.
• Do not allow to be used as a toy. Close attention is necessary when used by or near children.
• Use only as described in this manual. Use only manufacturer’s recommended attachments.
• Do not use with damaged cord or plug. If vacuum cleaner is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, return it to a service center before using.
• Do not pull or carry by cord. Do not use cord as a handle. Do not close a door on cord or pull cord around sharp edges or corners. Do not run vacuum cleaner over cord. Keep cord away from heated surfaces.
• Do not use extension cords or outlets with inadequate current carrying capacity.
• Turn off all controls before unplugging.
• Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
• Do not handle plug or vacuum cleaner with wet hands.
• Do not put any objects into openings. Do not use with any openings blocked; keep free of dust, lint, hair, and anything that may reduce airflow.
• This vacuum cleaner creates suction. Keep hair, loose clothing, fingers, and all parts of body away from openings and moving parts.
• Use extra care when cleaning stairs.
• Do not pick up anything that is burning or smoking such as cigarettes, matches, or hot ashes.
• Do not use without dust cup, filter, and pre-motor filter in place.
• Do not use with flammable or combustible liquids such as gasoline, or use in areas where they may be present.
• Store your vacuum cleaner indoors in a cool, dry area.
• Keep your work area well lighted.
• Unplug electrical appliances before vacuuming them.

SAVE THESE INSTRUCTIONS

To reduce the risk of electric shock, this appliance has a polarized plug (one blade is wider than the other). This plug will fit in a polarized outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet. Do not change the plug in any way.

Motor
Do Not Oil the motor at any time. The bearings are permanently lubricated and sealed.
What comes in the carton

Hand vacuum

Important safeguards

Crevice tool holder

Crevice tool

Removeable floor nozzle

Handle
How to identify parts of your vacuum cleaner

For filter maintenance instructions, see page 8
How to assemble your vacuum cleaner

Attach crevice tool and holder by sliding it up onto the handle.

Press the quick release button on the hand vacuum grip and insert the handle. Make sure it is all the way inserted into the body of the vacuum.

Attach the floor nozzle by inserting it into the opening at the bottom of the dust cup. Press firmly to secure in place.

Wrap cord around the upper and lower cord wraps on the back of the vacuum. Clip plug onto the cord.

Tilt vacuum up into its upright position.
How to use your vacuum cleaner

Plug power cord into the outlet.

Turn on power switch on the front of the hand vacuum.

Step on nozzle and tilt vacuum to release from its upright position.

Additional usage methods

Turn hand vacuum 180° as shown for better reach under furniture.

Floor nozzle may be used with the hand vacuum to clean wider surfaces.
To attach floor nozzle to the hand vacuum, insert it into the opening at the bottom of the hand vacuum.
Press firmly to secure in place.

Insert crevice tool to extend the length and reach of the hand vacuum.
To optimize suction and cleaning performance, remove and inspect the pre-motor filter regularly.

If needed, clean with warm water and a mild detergent.

Air dry pre-motor filter for 24 hours before placing back in the vacuum.
Problem Solving

⚠ Make sure vacuum is turned off and power cord is unplugged.

The Eureka limited warranty

Eureka warrants this vacuum cleaner to be free from defects in material and workmanship for a term of one year for normal household use. Warranty is granted only to the original purchaser and members of immediate household.

This warranty is good for one year from the date of purchase only when the vacuum cleaner is used in the accordance with Eureka operating instructions. 

**Note:** refurbished or remanufactured products have a one year limited warranty.

This warranty does not cover

- Parts of the vacuum that require replacement under normal use such as disposable dust bags, filters, drive belts, light bulbs, brushroll, bristles, impellers and cleaning.
- Damages or malfunctions caused by negligence, abuse, and use not in accordance with the Owner’s Guide.

What Eureka will do

Eureka will, at its option, repair or replace a defective vacuum or vacuum part that is covered by this warranty. As a matter of warranty policy, Eureka will not refund the consumer’s purchase price.

Obtaining warranty service

To obtain warranty service you must return the vacuum or vacuum part along with “proof of purchase” to any Eureka Authorized Warranty Station. For Eureka Authorized Warranty Station or Service Information, visit www.eureka.com, write or telephone toll free:

1-800-282-2886
Midea America Corp.
5 Sylvan Way
Parsippany, NJ 07054

Obtaining warranty service outside your community

You must pay the shipping charges to the Eureka Authorized Warranty Station.

Return shipping charges will be paid by the Warranty Station. When returning parts for repair, please include the model, type and serial number located on the rating plate on the lower backside of the vacuum.

Further limitations and exclusions

Any warranty that may be implied in connection with your purchase or use of the vacuum, including any warranty of Merchantability or any warranty for Fitness For A Particular Purpose is limited to the duration of this warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Your relief for the breach of this warranty is limited to the relief expressly provided above. In no event shall the manufacturer be liable for any consequential or incidental damages you may incur in connection with your purchase or use of the vacuum.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights. You may also have other rights, which may vary by state.
