

Uprights

Tools compatible with Dyson upright vacuums.

Combination tool

Two tools in one, for versatile cleaning around the home.

Stair tool

Designed for simple, effective cleaning on stairs and small areas.

Tangle free turbine tool

Counter-rotating brush heads remove hair from carpets and upholstery, with no brush bar for it to wrap around.

Mattress tool

Removes dust and allergens from mattresses and upholstery.

Reach under tool

Extends, bends and twists to remove dust and allergens from awkward spaces.

Carbon fiber soft dusting brush

Densely-packed carbon fiber filaments prevent static, and help to pick up fine dust.

Multi-angle tool

Twists to give multiple angles for cleaning hard to reach spaces.

Flexi crevice tool

Extends and flexes into awkward gaps.

Soft dusting brush

Soft bristles to gently dust around the home.

Articulating hard floor tool

Removes dust and debris from hard floors.

Groom tool

Mess-free grooming for medium and long-haired dogs.

Stiff bristle brush

Stiff bristles to clean dried-in and stubborn dirt.

Flat out floor tool

Super low profile for cleaning under very low furniture.

Tool bag

Stow and organize your Dyson vacuum's tools in this handy bag with shoulder strap.
