Super HD 4-Megapixel High Resolution

As one of the best home/business security systems, RLK8-410B4 NVR security system records real-time videos on all channels at 4MP (1440p) high resolution, much clearer than 1080p and 720p. All cameras provide incredibly bright and sharp images in real color, which enables you to see all objects very clearly.

4MP

1080p
1920x1080

720p
1080x720

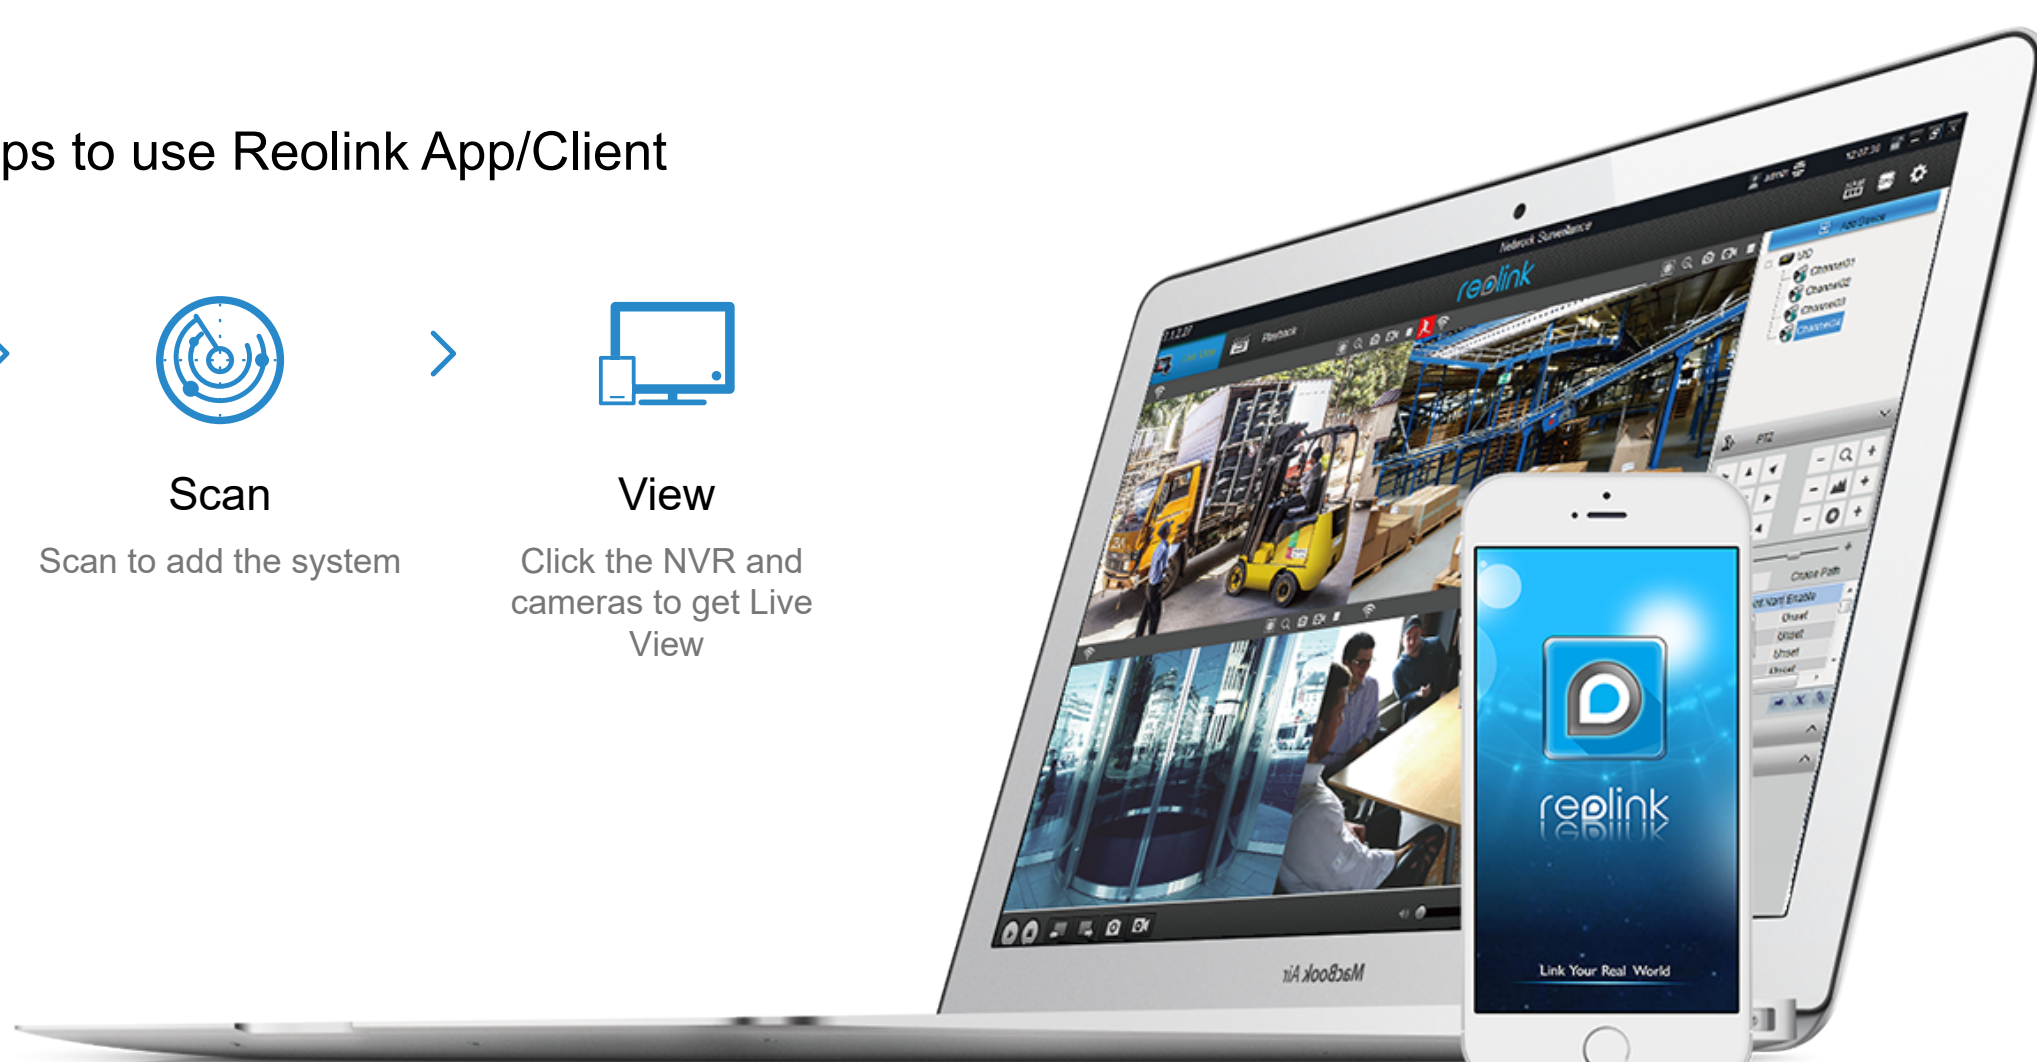

PoE – Easy Setup, Even for a Beginner

A real plug and play security system! It features PoE (Power over Ethernet), with a single network cable connecting each IP camera to the NVR for both power supply and video signal transmission. Easy wiring – the wiring process can't be simpler for DIY enthusiasts and beginners.

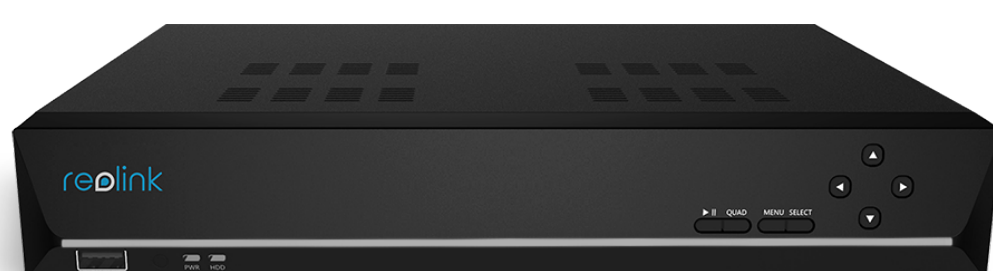

Only 3 steps to use Reolink App/Client

- Install**
Install free Reolink App or Client
- Scan**
Scan to add the system
- View**
Click the NVR and cameras to get Live View

Work with All Reolink PoE IP Cameras

This Reolink PoE NVR works perfectly with all our PoE IP cameras for 24/7 recording, motion detections, live views, playback and more features. PoE IP cameras include: RLC-411, RLC-410, RLC-420, RLC-422, and RLC-423.
