KINESIS K3 ONE (1) YEAR LIMITED WARRANTY AND RETURN POLICY

We warrant the Kinesis K3 wind and solar charger against defects in materials and workmanship under normal use for a period of ONE (1) YEAR from the date of retail purchase (including purchase from our website or that of one of our authorized dealers or distributors) by the original end-user purchaser (this one year period is called the "Warranty Period"). If you become aware of a defect in your Kinesis K3, you must notify us within the Warranty Period by visiting www.kinesisindustries.com/support to fill out the Contact Form.

In order to accept and process your claim, we may request that you return the defective Kinesis K3 to us, and that defective Kinesis K3 will become our property. Once we receive the defective Kinesis K3, we will examine the claimed defective product to ensure that any product failure is not the result of physical abuse, accident, fire, misuse, or violating any of the safety precautions and prohibitions on use and storage of the product contained in the K3 Quick Start Guide.

If, after a thorough inspection of the returned product, we accept your claim, we will either (1) repair the defective product at no charge, or (2) exchange the product with a product that is new or equivalent to new in performance and reliability and is at least functionally equivalent to the original product. Acceptance or rejection of a claim is at the sole discretion of Kinesis Industries LLC. In accordance with applicable law, we may require that you furnish proof of purchase details and/or comply with our online claim registration requirements before receiving service pursuant to this warranty. You will be responsible for custom duties, V.A.T. and other associated taxes and charges and for compliance with all applicable export laws and regulations if the product cannot be serviced in the country in which service is requested.

Exclusion and Limitations on Limited Warranty

This Limited Warranty applies only to products manufactured by or for Kinesis Industries LLC.

This Limited Warranty does not apply to any products we do not manufacture, even if those products are sold by us on our website or packaged with the Kinesis K3. We provide all of our products, in so far as permitted by law, "as is". We are not responsible for damage arising from failure to follow instructions relating to the use, storage or disposal of the Kinesis K3.

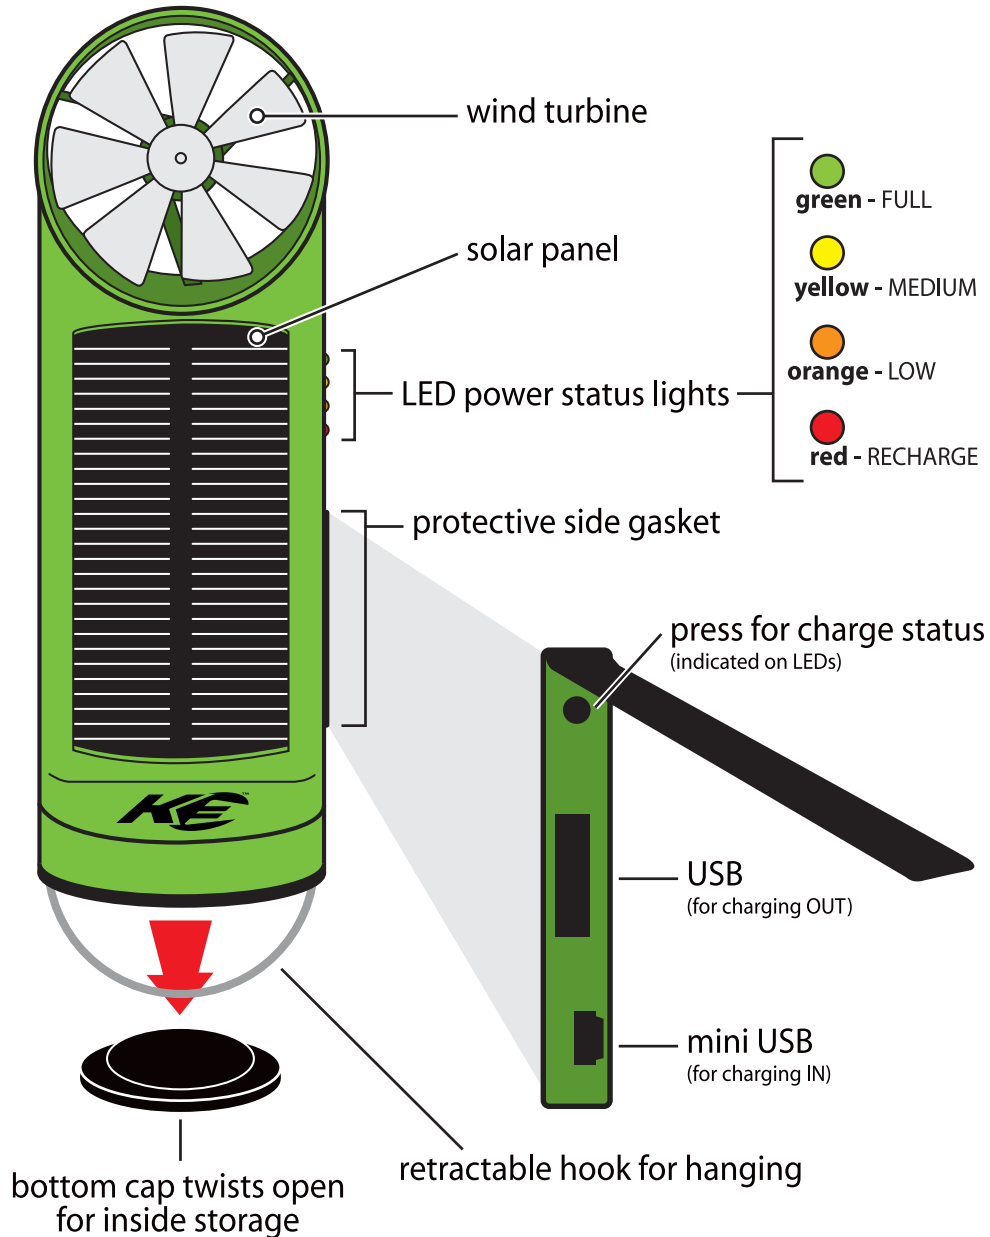

This warranty does not apply: (a) to the internal battery unless damage has occurred to the battery due to a defect in materials or workmanship; (b) to cosmetic damage, including but not limited to scratches, dents and broken plastic on ports; (c) to damage caused by use with products we do not manufacture; (d) to damage caused by violating any of the safety precautions and prohibitions on use and storage of the product contained in the K3 Quick Start Guide; (e) to damage caused by attempts to disassemble, repair, alter the functionality of or otherwise modify the Kinesis K3; or (f) to damage caused by accidental or intentional exposure to extreme weather conditions, fire, abuse or other external causes.

Return Policy

Customers are responsible for shipping charges to return any defective Kinesis K3 to us. We will pay shipping charges to send a replacement Kinesis K3 to you if we accept your claim. When you contact us at www.kinesisindustries.com/support you will be required to provide us with information about where and when you purchased your Kinesis K3. You will then be assigned a Return Merchandise Authorization Number (RMA number) and given instructions on where to ship the defective product. After we have inspected the returned product for manufacturing defects, we will either (1) determine that the product is defective, or (2) determine that there are no manufacturing defects, in which case you will not be entitled to receive a replacement product. If you did not purchase a Kinesis K3 directly from Kinesis Industries LLC, you may be required to provide proof that you are the original purchaser/end-user before your claim is processed.

unit overview

specs

Nominal DC Output:
5V 1A

Battery Capacity:
4,000 mAh

Maximum Wattage:
5 Watts

DC Input:
5V 500mA

Weight:
10.6 oz. (300g)

Battery Type:
Rechargeable
Lithium Ion 3.7V cell

Dimensions:
3.0 x 9.3 x 3.1 inches
(78 x 236 x 80 mm)

Temperature Range:
-4F to 131F (-20C to 55C)

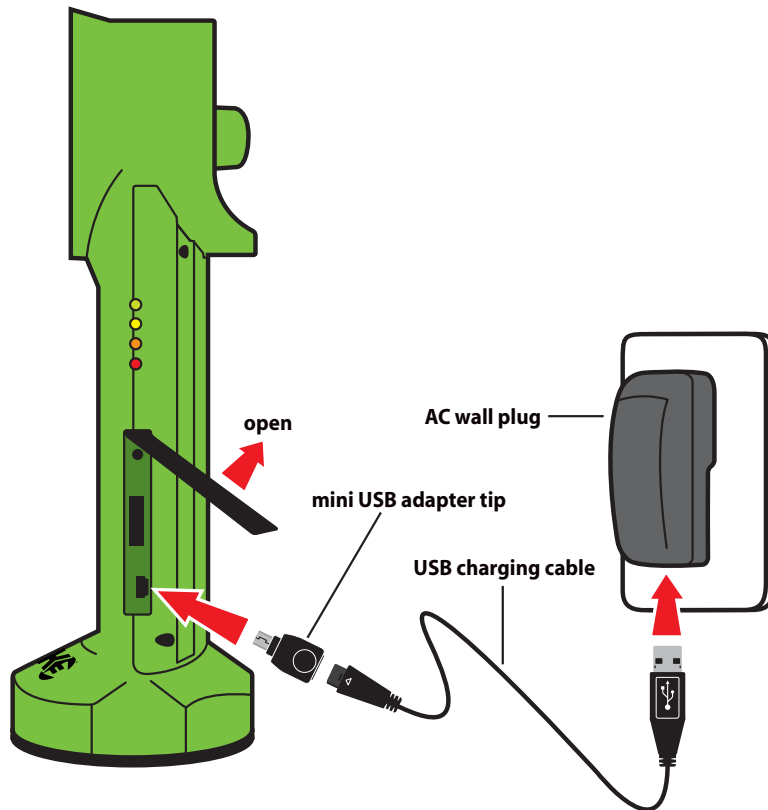

charge IN

ac wall plug

1) recommended for first charge to fully charge battery (about 12 hours)

2) about 8 to 10 hours to charge thereafter

3) K3 can also be charged via USB through a computer or optional car cigarette-lighter adapter

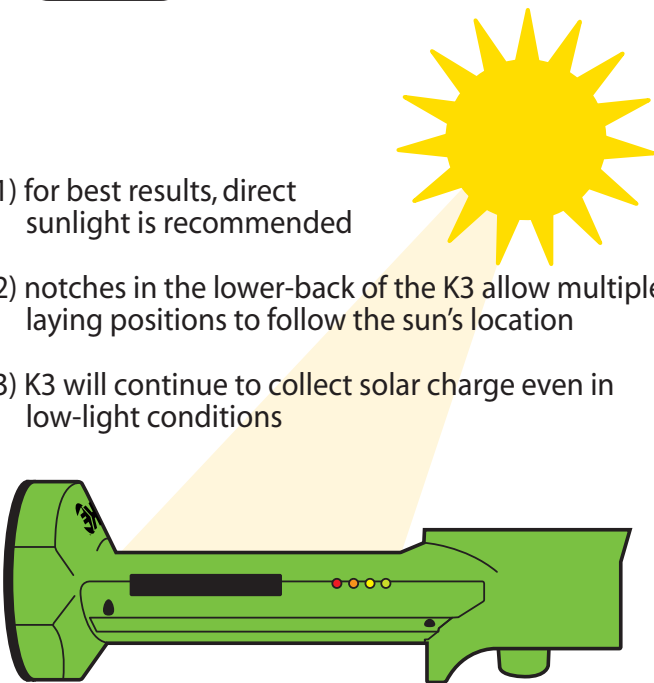

sun

1) for best results, direct sunlight is recommended

2) notches in the lower-back of the K3 allow multiple laying positions to follow the sun's location

3) K3 will continue to collect solar charge even in low-light conditions

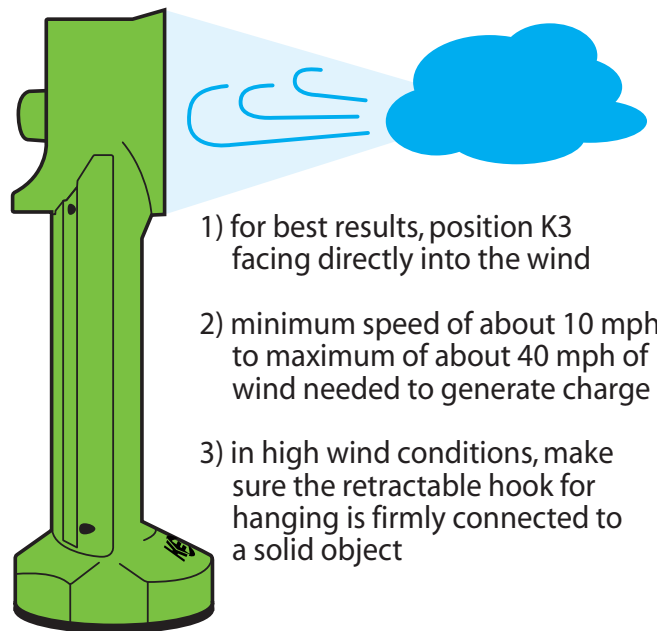

wind

1) for best results, position K3 facing directly into the wind

2) minimum speed of about 10 mph to maximum of about 40 mph of wind needed to generate charge

3) in high wind conditions, make sure the retractable hook for hanging is firmly connected to a solid object

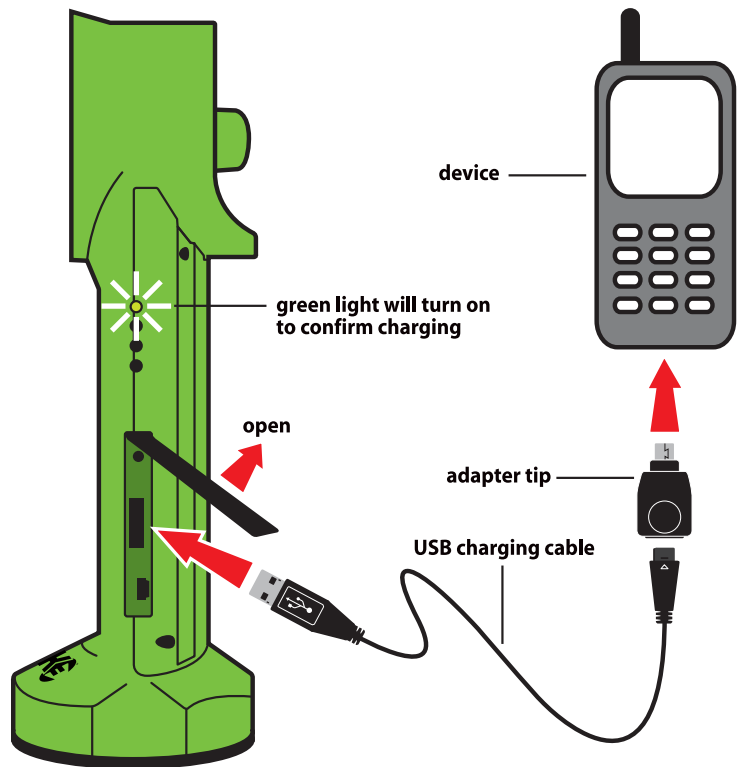

collecting both wind and sun at the same time increases the charge input

charge OUT

charging devices

- 1) select the adapter tip that works for your device
- 2) attach the tip to the corresponding iGo® end of the cable and plug into your device
- 3) open the K3 side gasket and plug the USB end of the cable into the USB 'OUT' port
- 4) the K3's green light will turn on confirming charge
- 5) unplug the device after it is fully charged

charges:

mobile phones

iPod/
mp3 players

iPod® is a registered trademark of Apple Inc.
in the U.S.A. or other countries.

gaming devices

PDA's

GPS

digital cameras

for additional tips and tip compatibility information

K3 TIPS & TRICKS

- For best results, first charge your K3 to full power from the wall socket using the AC adapter. Then expose the K3 to wind and sun to trickle-charge the internal battery and keep it 'topped-off'
- Use the storage area inside your K3 for cable and adapter tips - use the drawstring bag to protect and carry the K3 to the beach, camping, or on a trip
- On the road, place your K3 on the dashboard to collect sun, or place in a center cup-holder and let the fan spin the wind turbine
- Your K3 was designed with notches in the back of the unit that allow you to lay the unit in multiple positions to track the sun's changing location in the sky; keep the solar panel pointed directly at the sun for maximum charging
- Hang or securely clip your K3 by pulling out the hook located on the bottom of the unit - suspending the K3 from a sturdy tree branch or clipping the K3 to a carabiner on a backpack are just a few ways
- A window sill is a wonderful home for your K3 - generate solar power while reminding people to do their part as well!
- Collecting both wind and sun at the same time will increase your K3's charge input
- Keep your K3's solar panel clean for maximum efficiency by wiping it with a damp cloth as dust and dirt will impede the solar efficiency
- Your K3 makes an ideal addition to a home emergency kit
- Nothing lasts forever. Please dispose of your K3 in an environmentally safe manner

SAFETY WARNINGS

Please read these safety precautions before using the Kinesis K3:

The K3 contains an internal Lithium Ion battery. Many of the safety precautions listed below are designed to avoid damage to the battery, which may lead to acid leakage, overheating, smoke emission, bursting or ignition of the internal battery.

- DO NOT remove, disassemble, or attempt to disconnect the battery.
- DO NOT incinerate, puncture, crush or otherwise physically abuse the K3, or dispose of the K3 through any of these methods.
- DO NOT place the K3 on or near a heat source or high temperature location such as a fire, a stove or a heater.
- Storing the K3 in an automobile in hot weather for extended periods may result in a loss of performance or shortened life expectancy.
- DO NOT immerse the K3 in water.
- DO NOT expose the K3 to extreme temperature conditions.
- DO NOT insert any metal object into the USB or mini USB charging ports.
- DO NOT disassemble or attempt to modify the K3.
- DO NOT clean the K3 with abrasives, solvents, or harsh chemicals. Remove dust from the solar panel with a chamois or soft cloth.
- DO NOT spray lubricant of any kind into the wind turbine or any K3 port.

Kinesis Industries LLC is not responsible for problems or damages caused to the K3 or to third party products when the precautions above are not followed.

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe B est conforme à la norme NMB-003 Du Canada.

Copyright and Trademark Notice

Except where indicated, all Kinesis Industries LLC product names are trademarked and all company website content is copyright by Kinesis Industries LLC and are protected by US and foreign copyright and trademark law. Any unauthorized use thereof without the express written consent of Kinesis Industries LLC is strictly prohibited. Other company names or products mentioned for use with the Kinesis K3 may be the servicemarks or trademarks of their owners. All rights reserved.

Disclaimer

Prices, specifications and availability of products and accessories are subject to change without notice. Kinesis Industries LLC reserves the right to change, modify or discontinue product lines at any time. Manufacturer rebates, warranties, terms, conditions, and expiration dates are subject to change at any time.

ADVERTENCIAS DE SEGURIDAD

Por favor lea estas precauciones de seguridad antes de utilizar el Kinesis K3:

El K3 contiene una batería Lítio Ion. Muchas de las precauciones enumeradas abajo son diseñadas para evitar daños a la batería, que pueden llevar a una filtración de ácido, recalentamiento, emisión de humo, explosión o incendio de la batería interna.

- NO quite, desmonte o intente desconectar la batería.
- NO incinerar, perforar, aplastar o de otro modo abuse físicamente el K3, o disponga del K3 a través de cualquiera de estos métodos.
- NO coloque el K3 en o próximo a una fuente de calor o un sitio de alta temperatura como fuego, estufa o calentador.
- Guardar el K3 en un automóvil durante la época de calor por períodos extendidos podría resultar en una pérdida de rendimiento o reducción de las expectativas de vida de la batería.
- NO sumerja el K3 en agua.
- NO exponga el K3 a condiciones de temperaturas extremas.
- NO inserte ningún objeto de metal en las aberturas de cargar de USB o mini USB.
- NO desmonte o intente modificar el K3.
- NO limpie el K3 con abrasivos, solventes o químicos fuertes. Quite el polvo del panel solar con una gamuza o paño suave.
- NO atome lubricantes de ninguna clase dentro de la turbina de viento o en cualquier abertura en el K3.

Kinesis Industries LLC no se responsabiliza por problemas o daños causados al K3 o a los productos de terceros cuando las precauciones arriba mencionadas no son obedecidas.

Declaración de FCC

El aparato cumple con la Sección 15 de las Reglas FCC. La operación está sujeta a las dos siguientes condiciones: (1) El aparato no debe causar interferencia dañina, y (2) este aparato debe aceptar cualquier interferencia recibida, incluso interferencia que puede causar operación no deseada. Este aparato digital clase B cumple con ICES-003 Canadiense.

Aviso de Derechos de Autor y Marca Registrada

Salvo donde se indicaba, todos los nombres de los productos de Kinesis Industries LLC tienen marca de fábrica registrada y todo el contenido de la página web de la compañía tiene derecho de autor por Kinesis Industries LLC y están protegidos por la ley de derechos de autor y marca registrada de EUA y extranjeros. Cualquier uso no autorizado del mismo sin el consentimiento expreso por escrito de Kinesis Industries LLC está terminantemente prohibido. Otros nombres de compañías o productos mencionados para uso con el Kinesis K3 pueden ser la marca de servicio o marcas registradas de sus dueños. Todos los derechos son reservados.

Negación

Precios, especificaciones y disponibilidad de productos y accesorios están sujetos a cambio sin aviso. Kinesis Industries LLC se reserva el derecho de cambiar, modificar o discontinuar líneas de productos en cualquier momento. Rebajas, garantías, términos, condiciones y fechas de vencimiento del fabricante están sujetos a cambio en cualquier momento.

ES

AVERTISSEMENTS RELATIFS À LA SÉCURITÉ

Merci de bien vouloir lire ces recommandations d'usage avant l'utilisation de Kinesis K3:

La K3 contient une batterie interne au lithium ion. La plus part des précautions d'emploi mentionnées ci-dessous sont destinées à éviter d'endommager la batterie, ce qui pourrait entraîner une fuite d'acide, une surchauffe, une émission de fumée, une explosion ou un allumage de la batterie interne.

- NE PAS enlever, déassembler, ou tenter de desconnecr la batterie.
- NE PAS incinérer, perforer, écraser ou d'abuser physiquement de quelque manière que ce soit le K3, ou de disposer du K3 par aucunes de ces méthodes.
- NE PAS placer le K3 sur ou près d'une source de chaleur ou d'un endroit à haute température, tel qu'un feu, une gazinière ou un radiateur.
- Conserver le K3 dans une voiture par temps chaud pour une longue période peut entraîner une perte de performance ou de réduire la durée de vie de celui-ci.
- NE PAS place le K3 dans l'eau.
- NE PAS exposer le K3 à des conditions de température extrêmes.
- NE PAS insère des objets en métal dans les ports USB ou les mini ports USB.
- NE PAS déassembler ou tenter de modifier le K3.
- NE PAS nettoyer le K3 avec des produits abrasifs, des solvants, ou des produits chimiques agressifs. Enlevez toutes poussières sur le panneau solaire à l'aide d'une peau de Chamois ou un chiffon doux.
- NE PAS vaporiser de lubrifiant dans l'éolienne ou sur tout autre port du K3.

Kinesis Industries LLC n'est pas responsable pour les problèmes ou dommages causé au K3 ou les produits d'une tierce personne quand les précautions ci-dessus ne sont pas suivies.

Déclaration du FCC

Ce dispositif est en conformité avec la Partie 15 des Règles du FCC. L'opération est sujet aux deux condition suivantes : (1) ce dispositif ne devrait pas causer d'interférence nuisible, et (2) ce dispositif doit accepter toutes interférences reçues, ce qui inclue des interférences qui peuvent causer des opérations indésirables. Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Remarques sur les droits d'auteur et les marques déposées

Sauf indications, tous les noms de produits de Kinesis Industries LLC sont des marques déposées et tout le contenu du site Internet de la compagnie est propriété de Kinesis Industries LLC et ils sont protégés par les lois sur les droits d'auteur et marques déposées des Etats-Unis et autres pays étrangers. Les autres noms de compagnies ou produits qui sont mentionnés pour être utilisé avec le Kinesis K3 peuvent être les services ou marques déposés de ces compagnies. Tous droits réservés.

Remarques

Les prix, les spécifications et disponibilités de produits et accessoires sont sujets à changement sans préavis. Kinesis Industries LLC se réserve le droit de changer, modifier ou discontinuer une ligne de produits à tout moment. Les bon de remboursements de la compagnies, les contrats de garanties, les termes, les conditions et les dates expirations sont sujets à changement à tout moment.

SICHERHEITSWARNUNGEN

Bitte lesen Sie diese Sicherheits- und Vorsichtsmaßnahmen vor dem Verwenden des Kinesis K3:

Das K3 enthält eine innere Lithium-Ion-Batterie. Viele der Sicherheits- und Vorsichtsmaßnahmen nachfolgend aufgelistet, sind dafür bestimmt um Schaden an der Batterie zu vermeiden, die zu Acid Verlust, Überhitzung, Rauch-Emission, Platzen oder Zündung der inneren Batterie führen kann.

- NICHT entfernen, auseinandernehmen, oder versuchen die Batterie abzuklemmen.
- NICHT verbrennen, durchstechen, vernichten oder anderweitig das K3 physikalisch missbrauchen, oder das K3 in allen diesen Methoden entsorgen.
- NICHT das K3 auf oder in die Nähe von einer Hitzequelle oder hoher Temperaturposition wie ein Feuer, einen Ofen oder eine Heizung legen.
- Die Lagerung des K3 in einem Automobil im heißen Wetter für eine längere Zeitperiode kann auf einen Verlust der Leistung oder verkürzten Lebenserwartung hinauslaufen.
- NICHT das K3 in Wasser eintauchen.
- NICHT das K3 zu extremen Temperaturbedingungen aussetzen.
- NICHT einen Metallgegenstand in den USB oder mini-USB Belastungsanschluß hineinstecken.
- NICHT das K3 auseinandernehmen oder versuchen zu modifizieren.
- NICHT das K3 mit Poliermitteln, Lösungsmitteln, oder harten Chemikalien reinigen. Entfernen Sie Staub vom Solarpanel mit einem Fensterleder oder weichem Stoff.
- NICHT mit Schmiermittel jeder Art in die Windturbine oder jeglichen K3-Anschluß sprühen.

Kinesis Industries LLC ist für Probleme oder Beschädigungen verursacht zur K3 oder Fremdprodukten nicht verantwortlich, wenn den Vorsichtsmaßnahmen oben nicht gefolgt wird.

FCC Anweisung

Dieses Gerät erfüllt Teil 15 der FCC-Regeln. Operation ist den folgenden zwei Bedingungen unterworfen: (1) Dieses Gerät kann nicht schädliche Beeinflussung verursachen, und (2) dieses Gerät muß jede Interferenz akzeptieren, einschließlich Interferenz die möglicherweise unerwünschte Operation verursachen kann. Dieses Klasse B Digitalgerät entspricht mit Kanadischen Regeln ICES-003.

Copyright und Markenbeachtung

Außer, wo angegeben, alle Kinesis Industries LLC Produktnamen sind geschützt, und der ganze Firmenwebsite-Inhalt ist Copyright durch Kinesis Industries LLC und wird durch das US-und Auslandscopyright gesetzlich geschützt. Irgendwelche nicht bevollmächtigte Verwendung davon, ohne die extra schriftliche Zustimmung von Kinesis Industries LLC, wird ausschließlich verboten. Andere Firmennamen oder Produkte erwähnt für den Gebrauch mit dem Kinesis K3 können Dienstleistungszeichen oder Handelsmarken ihrer Eigentümer sein. Alle Rechte vorbehalten.

Ausschlussklausel

Preise, Spezifizierungen und Verfügbarkeit von Produkten und Zubehörteile sind Änderungen vorbehalten. Kinesis Industries LLC behält sich das Recht vor, Produkterzeugnisse jederzeit zu ändern, zu modifizieren, oder einzustellen. Hersteller-Preisnachlässe, Garantien, Fristen, Bedingungen, und Verfallaten sind zu jederzeit Änderungen vorbehalten.

ADVERTÊNCIAS DE SEGURANÇA

Por favor le estas precauções de segurança antes de utilizar o Kinesis K3:

O K3 contém uma pilha interna Lítio Ion. Muitas das precauções registradas abaixo son desenhadas para evitar danos à pilha que podem causar vazamento de ácido, superaquecimento, emissão de fumaça, estouro o combustível da pilha interna.

- NÃO remova, desmonte, o tente a desligar a pilha.
- NÃO incinerar, perfure, esmague ou de outro modo fisicamente abusar do K3, o dispor do K3 através de algum desses métodos.
- NÃO coloque o K3 sobre ou perto duma fonte de calor ou local de alta temperatura como um fogo, uma estufa, ou um aquecedor. Guardando o K3 em um automóvel durante o tempo de calor por um período prolongado pode resultar em uma perda de rendimento ou duração de vida encurtada.
- NÃO mergulhe o K3 em água.
- NÃO exponha o K3 a condições de temperaturas extremas.
- NÃO insira qualquer objeto metálico na abertura de carregar do USB ou mini USB.
- NÃO desmonte o tentar a modificar o K3.
- NÃO limpe o K3 com abrasivos, solvente, ou químicos ásperos. Remova o pó do painel solar com camuça ou um pano macio.
- NÃO pulverize lubrificante de qualquer tipo dentro da turbina de vento ou qualquer abertura do K3.

Kinesis Industries LLC não é responsável por problemas o danos causados ao K3 ou a produtos de terceiros quando as precauções de cima não são obedecidas.

Dedaração FCC

Este aparelho cumpre com a Parte 15 das Regras de FCC. A operação é sujeita às duas condições seguintes: (1) Este aparelho não deve causar interferência prejudicial, y (2) Este aparelho tem que acetar qualquer interferência recebida, inclusive interferência que pode causar a operação indesejada. Este aparelho digital classe B cumpre com a ICES-003 de Canadá.

Aviso de Direitos Autorais e Marca Registrada

Exceto onde indicado, todos os nomes dos produtos de Kinesis Industries LLC têm marca registrada e todo o conteúdo do website têm direitos autorais por Kinesis Industries LLC e são protegidos pela lei de direitos autorais e marca registrada de EUA e estrangeiro. Qualquer uso não autorizado deles sem o consentimento expreso por escrito de Kinesis Industries LLC é absolutamente proibido. Outros nomes ou produtos de companhias mencionadas para uso com o Kinesis K3 podem ser de marca de serviço o marca registrada dos seus donos. Todos os direitos são reservados.

Negação

Preços, especificações e disponibilidade de produtos e acessórios estão sujeitos a mudança sem previo aviso. Kinesis Industries LLC reserva o direito de mudar, modificar ou descontinuar linhas de produtos a qualquer momento. Descontos, garantias, termos, condições e datas de vencimento do fabricante estão sujeitos a mudança em qualquer momento.

PT

AVVERTIMENTI DI SICUREZZA

Legga prego queste misure di sicurezza prima di usando il Kinesis K3:

Il K3 contiene una batteria di ione di litio interna. Molte delle misure di sicurezza elencate qui sotto sono disegnate per evitare il danneggiamento della batteria, che può condurre a perdita, al surriscaldamento, all'emissione di fumo, allo scoppio o all'accensione acido della batteria interna.

- NON rimuova, non smonti, o non tenti di staccare la batteria.
- NON incenerisca, non perfori, non schiacci o al contrario fisicamente non abusi il K3, o non disfiaccia del K3 con qualcuno di questi metodi.
- NON metteste il K3 sopra o non si avvicini ad una fonte di calore o ad una posizione a temperatura elevata tipo un fuoco, una stufa o un riscaldatore.
- Immagazzinando il K3 in un'automobile con clima caldo per i periodi estesi può provocare una perdita di prestazione o di speranza di vita ridotta.
- NON immerga il K3 in acqua.
- NON esponga il K3 alle condizioni termiche estreme.
- NON inserisca alcun oggetto del metallo nell'USB o nei mini orifici di carico del USB.
- NON smonti o non tenti di modificare il K3.
- NON pulisca il K3 con gli abrasivi, i solventi, o i prodotti chimici duri. Rimuova la polvere dal pannello solare con un kamoscio o un panno molle.
- NON spruzzi il lubrificante affatto del genere nella turbina di vento o in alcun orificio K3.

Kinesis Industries LLC non è responsabile dei problemi o dei danni causati al K3 o ai prodotti dei terzi quando le precauzioni di cui sopra non sono seguite.

Dichiarazione del FCC

Questo dispositivo aderisce alla parte 15 delle regole del FCC. Il funzionamento è conforme alle seguenti due condizioni: (1) questo dispositivo non può causare l'interferenza nociva e (2) questo dispositivo deve accettare tutta l'interferenza ricevuta, compreso interferenza che può causare il funzionamento indesiderato. Questa apparecchiatura digitale del codice categoria B aderisce a ICES-003 canadese.

Avviso di marchio e del copyright

Eccetto dove indicati, tutti i nomi di prodotto del Kinesis Industries LLC sono nome di marchio di fabbrica e tutto il soddisfare di Web site dell'azienda è copyright dal Kinesis Industries LLC dell'ed è protetto dagli Stati Uniti e dalla legge straniera di marchio e del copyright. Tutto l'uso non autorizzato di ciò senza il consenso scritto espreso del Kinesis Industries LLC è proibito rigorosamente. Altri nomi o prodotti di azienda accennati per uso con il Kinesis K3 il maggio sono i marchi dei servizi o i marchi dei loro proprietari. Tutti i diritti riservati.

Disclaimer

I prezzi, le specifiche e la disponibilità dei prodotti e degli accessori sono conforme a cambiamento senza avviso. Kinesis Industries LLC di riserva il diritto di cambiare in qualunque momento, modificare o interrompere le serie di prodotti. Gli abboni del fornitore, le garanzie, i termini, le condizioni e le date di scadenza sono in qualunque momento conforme a cambiamento.
