Monthly fees do not include government taxes or assessment surcharges and are subject to change. Coverage and service are not available everywhere. 5Star or 9-1-1 calls can only be made when cellular service is available. 5Star Service will be able to track an approximate location when your device is turned on, but we cannot guarantee an exact location. Urgent Care, provided by FONEMED®, is not a substitute for dialing 9-1-1 and should not be used in an emergency. We are not liable for any act or omission, including negligence, of any FONEMED employee or contractor. GreatCall is not a healthcare provider. Seek the advice of your physician if you have any questions about medical treatment. Handset Replacement eligibility begins at 60 days from program enrollment date. Limit one replacement per 12 month period. $25 replacement processing fee applies for Jitterbug Flip. There are no additional fees to call GreatCall’s U.S.-based customer service. However, for calls to an Operator in which a service is completed, you will be charged 99 cents per call, and minutes will be deducted from your monthly rate plan balance equal to the length of the call and any call connected by the Operator. No additional charges for unlimited calls to a Personal Operator with purchase of an Ultimate Health & Safety Package. Monthly minutes carry over and are available for 60 days. A minimum rate of $0.35 per minute applies if plan minutes are exceeded. When calling from the domestic U.S. to other countries, additional international calling rates will apply.
