Easy Set Up

Step 1 Download

- Go to the App Store or Google Play to search and download “Wansview” APP to your supported device .
- Or scan the QR code below to get the app.

wansview App icon

Step 2 Power on camera

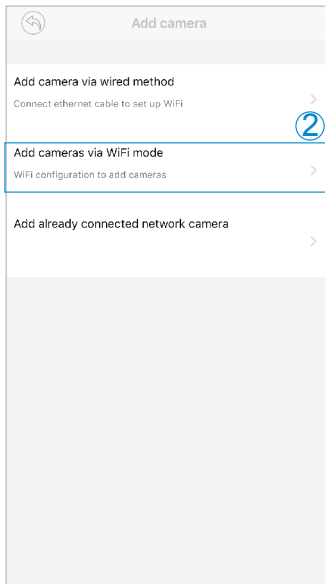

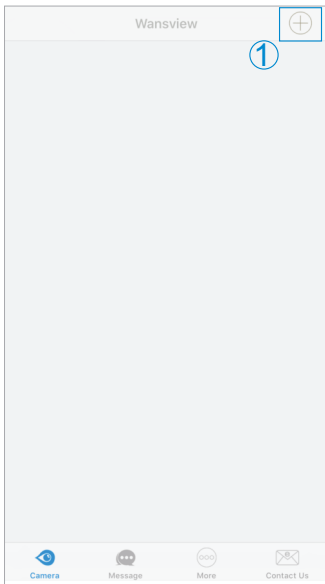

- Power for the camera with the included power supply and place it near your router (within 3 feet).

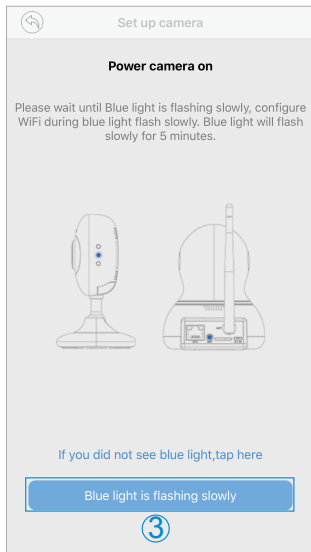

Power adapter

Step 3 Connect to network

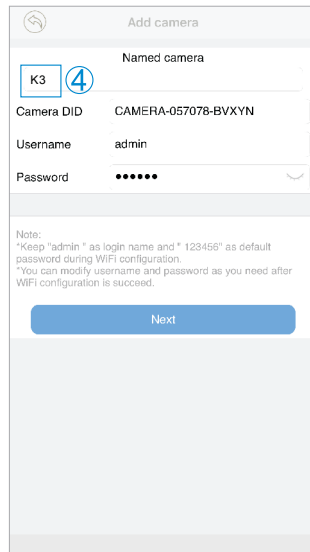

- Launch the Wansview app, Click **+** to access Add Camera page and select **“Add cameras via WiFi mode”**.

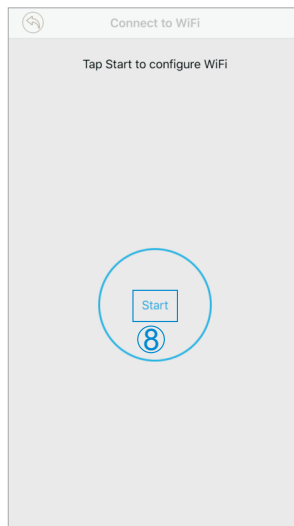

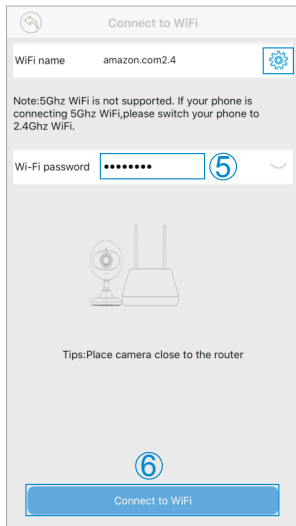

- Check the camera's blue light, if it is flashing slowly, please tap **"Blue light is flashing slowly"**, and Scan the QR code on the bottom of the camera, and **name the camera**. Then **"Next"** (keep **"admin"** as login name and **"123456"** as the default password).

QR Code

- Your WiFi name will be located there (If the WiFi is not what you want to connect. please tap  to switch the needed WiFi), input the correct WiFi Password (Wi-Fi name and Password should not contain special characters ' and & .) and click **“Connect to WiFi”**. And move your phone close to the camera and turn up the phone volume, then **“Next”** and **“Start”**.

Attention:

When the camera shows “online”, you can move the camera to other place where has a good WiFi signal.

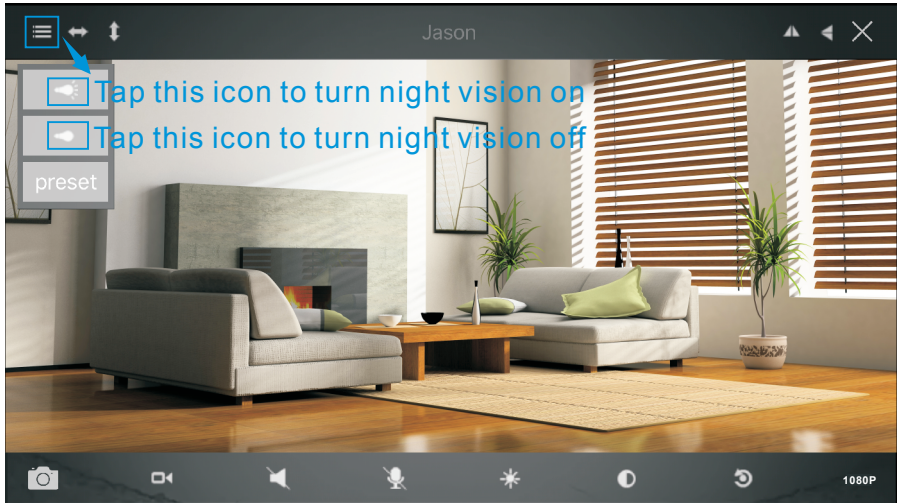

FAQ:

1. Change Default Password

Always remember to change your password, tap the “>” and then access to Edit Camera Page, get into “**Advanced Setting**” then “**User Setting**”, change password and click ✓ to save.

2.If the night vision stops working, please turn on the IR light as below:

3. If you forgot the password, hold the “Reset” button around 15-20 seconds, then the camera will be back to factory default. Default User/password: admin/123456. Remember to configure WiFi again after the Reset.

LET US KNOW WHAT YOU THINK

Thank you so much for your order and trust to Wansview. Please feel free to contact us if you have any questions about the product application.

As a young and growing company, it would mean the world to us if you could leave an honest review about our product and services.
