LineLazer®
Professional Airless Line Striping Systems

PROVEN QUALITY. LEADING TECHNOLOGY.
There is no other pavement line striping system like the LineLazer Airless Professional Striping System.

Since 1990 Graco’s LineLazer Airless Striping Systems have delivered on all counts and lead the pavement striping industry!
The LineLazer family of stripers has constantly been improved to meet the changing needs of the pavement marking industry, each time delivering substantial benefits to the professional striping contractor. The LineLazer V System continues the tradition of delivering innovation and performance, creating an unmatched family of stripers.
You can take pride in the fact that Graco stripers are designed, manufactured, and assembled right here in the United States of America.

What is the G4 Difference?
Simply put, it’s Graco’s commitment to provide you with the very best airless line striping systems, backed by a solid reputation for proven quality, maximum performance, reliable warranty coverage and unmatched on-the-job productivity. Graco is the name to turn to today and as your business grows.

PROVEN QUALITY
Each LineLazerstriper boasts Graco quality and dependability that you can count on. For more than 25 years striping contractors have turned to Graco.

MAXIMUM PERFORMANCE
Each LineLazer System is engineered to deliver maximum performance for completing jobs quickly and efficiently.

INDUSTRY-LEADING WARRANTY
Graco backs each LineLazer System with a full 3-year warranty from defects in material and workmanship.

UNMATCHED PRODUCTIVITY
Superior design and innovative technology means you’ll be getting the highest productivity in a line striping system.
As larger lots become more popular, you can finish them faster and more efficiently with the LineLazer airless stripers.

Construction zones offer additional incremental striping opportunities. The LineLazer striper’s smaller size allows it to quickly put down stripes, insuring a safe construction zone.

Airports offer professional striping contractors opportunities to add on to their existing striping jobs. The LineLazer System is sure to have the right striping solution.

From arrows and crosswalks to entire intersections, there are many ways to grow your business with LineLazer airless stripers.

**Typical Applications**

**Parking Lots**  
As larger lots become more popular, you can finish them faster and more efficiently with the LineLazer airless stripers.

**Airports**  
Airports offer professional striping contractors opportunities to add on to their existing striping jobs. The LineLazer System is sure to have the right striping solution.

**Construction Zones**  
Construction zones offer additional incremental striping opportunities. The LineLazer striper’s smaller size allows it to quickly put down stripes, insuring a safe construction zone.

**Intersections/Roads**  
From arrows and crosswalks to entire intersections, there are many ways to grow your business with LineLazer airless stripers.

---

**THE FIFTH GENERATION OF LINE STRIPING HAS ARRIVED.**

Graco, the first company to offer airless spray technology is now the first again. With the introduction of LineLazer V, now striping contractors can have truck-like features in a walk-behind striper. How? New automatic and semi-automatic striping technology with the push of a button.

Breakthrough innovations in the new Auto-Layout II System, EasyMark Gun adjustment system and Data Logging, as well as the new LiveLook Display, clearly position LineLazer V as the preferred choice for quality, performance and productivity.
NEW Automatic Gun System

NEW Automatic & Semi-Automatic Gun Systems

Industry-First Technology

- Striping truck features now on a walk-behind!
- Program guns to start and stop automatically to deliver perfect stripes every time!
- Now stripe skip lines with a simple push of a button
- Push button control eliminates hand lever fatigue

NEW Auto-Layout™ II with Green Laser

- Eliminates the tape measure—cuts layout time in half!
- Uses onboard paint system—no more inverted cans
- Precise layout “dots”—accuracy of 1/16" over 100'
- Finally a LASER on a LineLazer!
NEW LiveLook™ Display with SmartControl™

Striping Information At-A-Glance
- Tracks and shows every aspect of your job
- Real-time information eliminates guessing
- New Data Logging is Industry-First
- Powerful information only on a LineLazer V!

NEW EasyMark™ Gun Adjustment System

Gun Adjustment has Never Been Easier!
- “Tick Mark” on gun bars for easy operation
- Removable “G-Clamp” is Industry-First
- New Dual Gun Clamp for solid gun control
- Provides perfect 2-Gun Alignment

NEW EZ Align™ Wheel System

Improved Front Wheel Adjustment
- Allows simple realignment of front wheel to maintain "straight" tracking
- No-special tools needed to adjust
- Quick and easy “Fine Tune Adjustment”
Choose the RIGHT SERIES for all your striping applications.

Graco’s fifth generation of line stripers are configurated into three unique packages designed to deliver valuable features allowing you to complete jobs faster, more efficiently and with more accuracy. Whether you need the everyday reliability of our Standard Series, the increased speed and productivity of the HP Automatic Series, or the versatility of the high production HP Reflective Series, Graco offers the perfect striper that’s designed specifically for you.

If You’re a Everyday Striping Contractor
► Your jobs range from small to medium
► You perform mostly re-stripe jobs
► You need a single-color, single-gun striping solution

You need a Standard Series striper.

EVERYDAY STRIPING

If You’re a High Production Striping Contractor
► Your jobs range from medium to large
► You stripe new parking lots, city streets, intersections and bike paths
► You need a multi-gun, automatic system

You need an HP Automatic Series striper.

TOUGHER JOBS

If You’re a High Production Reflective Striping Contractor
► Your jobs are typically larger
► You stripe airports, large roadway and city projects
► You need a multi-gun, automatic gun system with pressurized beads

You need an HP Reflective Series striper.

MOST DEMANDING JOBS
The LineLazer 3400 is the proven performer for your restripe jobs. As the preferred choice for 1-gun professional performance, the LineLazer 3400 is perfect for small parking lots, mini malls, seal coating contractors, schools and park and recreation departments.

### Included Features:

**Easy Reach Controls**
- Operator controls are located on the handle bars
- You can fine tune the striper without stopping

**Handle Bar Design**
- High-comfort design for greater control and less operator fatigue
- Contoured grips comfortably fit your hands

**Electronic Pressure Control**
- Accurate, tight tolerance system provides excellent line quality

**Chromex™ Pump Rod**
- Long life rod treatment for the most demanding materials
- Four times harder than ordinary chrome

**Honda Power**
- Contractor preferred – excellent power and proven reliability

**Exclusive Easy Out Filter System**
- 60 mesh filter for no plug performance
- Inside out filtering

**Endurance Paint Pump**
- Industry best performance
- Proven design with 25 years of success

**Front Swivel Wheel**
- Provides easier “up to the curb” parking lot striping and hard-to-do curves
- Tapered locking pin design for years of dependable operation

LineLazer V 250sps—The Next Evolution in Line Striping.

Graco was first to offer the stand-on, self-propelled striping unit. The LineLazer V 250sps is the stand-on striping solution for improved visibility and razor sharp lines.

Rear Stand-On or Flip-Up Platform System
Integrated platform provides ergonomic place for standing, great sight line and all-day comfort or flip-up platform for walk-behind operation.
High performance striping with the exclusive automatic or semi-automatic paint guns makes the LineLazer V 250sps the preferredstriper for professional contractors who demand hydraulic power. This striper is ideal for large, heavy-duty line striping jobs including parking lots and road jobs.

Automatic Gun Control System
- Manual or automatic paint and bead guns with the push of a button

Electric Clutch System
- Disengages engine for fast starting

25-Gallon (95 l) Paint Hopper
- Extended striping time with large capacity hopper

Honda 13 HP GX Engine—Electric Start
- Industry proven performance with the most demanded engine by contractors

Remote Mount - Control Box
- Simple to use and easy to see in all conditions
- Information at-a-glance

Graco Hydraulic Motor System
- Graco's no-stall hydraulic motor for uninterrupted performance

Flex Plus® Guns
- Industry proven paint guns with LineLazer tips provide precise lines

Endurance Piston Pump System
- Long life pump provides precise flow for wide range of striping materials

Rear Gun Mount System
- Provides straighter long lines—perfect for bike paths, airports and other long line jobs

Self-Centering Front Wheel
- Eliminates one user interface for simpler operation
- Foam filled for stability

### Exclusive Dual Color Line Striping System

Spray two colors *simultaneously* with Graco’s new LineLazer V 250dc. Ideally suited for airports, municipalities, DOTs or anyone who needs to spray highlight lines or other dual-color striping. The LineLazer V 250dc rewrites line-striping productivity and flexibility by spraying two colors simultaneously in patterns as wide as 36 inches.

*Electric Gun Control*—Manual or automatic paint and bead guns with a push of a red button.

- **Dual Graco Hydraulic Motors**
  - No-Stall design provides uninterrupted performance

- **Dual Endurance® Displacement Pumps**
  - Provides precise flow for a wide range of striping materials

- **Exclusive Self-Centering Front Wheel**
  - Provides simpler operation

- **Exclusive Stand-On Platform**
  - Provides ergonomic place for standing, great view and all-day comfort

- **Dual 15-Gallon Paint Hoppers**
  - Simultaneously spray two colors and refill less often

- **Front or Rear Gun Mount**
  - Use up to six guns to create straighter long lines

- **Flex Plus Guns**
  - Industry proven paint guns provide precise lines

- **Graco Bead Guns**
  - Reliable design delivers proven performance

- **Dual Bead Tanks**
  - Holds up to 240 lbs of beads (120 lbs each)

- **Honda 13 HP GX Engine**
  - Electric start for ease of use
Remote Mount SmartControl* System
Track, measure and control every aspect of your job via a digital display.
Why Walk When You Can Ride?
Graco offers two high performance LineDriver attachments to connect to your LineLazer striping to double your striping productivity.

The LineDriver and LineDriver HD attachments provide the most innovative, user-friendly ride-on systems for the professional striping contractor.

**Exclusive FlexBeam™ Break-A-Way Light System**
- Fully adjustable for all types of low light applications
- Break-A-Way design helps protect against costly repairs and keeps you on the job

**Patented Dual Foot Pedal System**
- For forward and reverse—move between jobs without having to PUSH!
- Patent No. 6,883,633

**Exclusive ProStart™ Engine Starting System**
- Up to 50% less pulling effort to start the engine—no more broken recoils
- Outperforms manual pull and electric start systems when the weather starts turning cooler

**Honda Engine**
- Compact, lightweight and powerful—Honda engines are reliable, technologically advanced and easy to start
- Oil Alert shuts down engine if oil level drops too low, preventing damage
- Contractor preferred
A SOLUTION TO KEEP YOU STRIPING

Graco knows the last thing you can afford is costly downtime. And with the Endurance Advantage Program, you’ll never need to worry about it. When you buy any new Graco LineLazer line striping, you can purchase an additional Endurance Pump for up to 80% OFF the list price—keep a spare on hand to save yourself time and money on every job. Or if you’d rather repack your own pump, we’ll let you choose a FREE Repair Kit instead. No matter what your choice, Graco ensures you’ll always be up and striping! Simply follow the registration instructions included with your sprayer.

WARRANTY SPRAY PROTECTION

3-YEAR WARRANTY*
Coverage against defects in materials and workmanship on the entire sprayer.

30-DAY “JUST ADD PAINT” REPLACEMENT GUARANTEE*
Dissatisfied? Simply return the sprayer to the place you bought it within 30 days. They’ll either exchange it for an identical sprayer or you can trade up to a larger sprayer at an additional cost.

DOWNTIME ELIMINATOR PROGRAM*
Part needed for a warranty repair not in stock at your distributor? Get FREE next business day air freight delivery when distributor orders the part by 2 p.m. CST.

*NORTH AMERICA ONLY. See your local Graco distributors for country specifics.

Nobody Else Builds Stripers Like This.
**Accessories**

**AIRLESS LINE STRIPING SYSTEMS**

**GUNS AND HOSE KITS** Airless hose connects directly to gun through spring guard mount.

- 248157 FlexPlus Striping Gun with LL5319 Tip
- 245225 LineLazer Hose with E-nickel fittings, 3/8 in x 50 ft, 3300 psi
- 245798 LineLazer Hose with E-nickel fittings, 1/4 in x 7 ft, 3300 psi
- 249080 Coupled Hose, 1/4 in x 50 ft, 3300 psi (LineLazer 3400 only)
- 124884 LineLazer Hose with E-nickel fittings, 3/8 in x 22 ft, 3300 psi (LineLazer IV & V 130hs, 200hs, 200sps only)
- 191239 LineLazer Hose with E-nickel fittings, 3/8 in x 12 ft, 3300 psi (LineLazer IV & V 250dc only)

**PAINT GUN KITS**

- 287553 Complete kit for 2-gun striping with the LineLazer IV models (5900, 200hs)
- 287553 Complete kit for 2-gun striping with the LineLazer III models (3900, 5900)
- 241284 Complete kit for 2-gun striping with the LineLazer II models (3900, 5900)
- 24M679 Complete kit for 2-gun striping with the LineLazer IV (250sps stripper only)
- 24P930 Complete kit for adding 3rd or 4th gun for LineLazer IV (250sps/250dc strippers only)
- 25A491 Complete kit for LineLazer V - (1) manual gun (130hs, 3900, 5900, 200hs)
- 25A492 Complete kit for LineLazer V (1) automatic gun kit (3900, 5900, 200hs)
- 25A676 Manual gun kit for LineLazer 130hs
- 25A673 2nd automatic gun kit for LineLazer V – solenoid, complete auto gun arm, cables (3900, 5900, 200hs only)
- 17K791 Additional gun kit for LineLazer V (250sps, DC only)

**BEAD GUN KIT** For use with LineLazer IV & V, 200hs and LineLaser IV & V, 250sps and 250dc

- 16R963 Complete kit for adding bead gun. Includes hardware and hose.

**STENCIL KITS** For use with LineLazer IV & V 200hs, LineLazer 250sps/250dc

- 24G778 Paint Gun Stencil Kit
  Includes: (1) Paint Gun and 1/4 in x 50 ft Hose and Mounting Brackets
- 238957 Hand Bead Stencil Kit (Use with the EZ Bead Pressurized Dispensing System only.)
  Includes: (1) Bead Gun, (2) 3/4 in x 24 ft Clear Hoses, .234 in/.35 degree Tip, 1 ft Extension Tube and Mounting Brackets

ABOUT GRACO

Graco Inc. is registered to I.S. EN ISO 9001

PROVEN QUALITY. LEADING TECHNOLOGY.

Founded in 1926, Graco is a world leader in fluid handling systems and components. Graco products move, measure, control, dispense and apply a wide range of fluids and viscous materials used in vehicle lubrication, commercial and industrial settings.

The companies success is based on its unwavering commitment to technical excellence, world-class manufacturing and unparalleled customer service. Working closely with qualified distributors, Graco offers systems, products and technology that set the quality standard in a wide range of fluid handling solutions. Graco provides equipment for spray finishing, protective coating, paint circulation, lubrication, and dispensing sealants and adhesives, along with power application equipment for the contractor industry. Gracos ongoing investment in fluid management and control will continue to provide innovative solutions to a diverse global market.
