Duvets

Super Microfibre Filled 5 Star Hotel Quality Duvet

Hypoallergenic Filling, Box Baffle Stitch, Wash at Home, Super Soft and Light.

Developed for top end hotels as an alternative to goose down, super microfibre is the best synthetic duvet that Homescapes provide. Probably the most soft and tactile duvet available in the UK. Homescapes super microfibre duvets and pillows, have a huge loyal fan following. Box baffle stitching keeps the faux goose down fibre in square pockets ensuring universal warmth all across the duvet meaning it drapes snugly around the body, just like a real goose down duvet. Available in 4.5, 10.5, 13.5 tog and All Seasons (9/4.5 Tog combination).

Cushion Pads

At Homescapes, we put a lot of care and attention into our cushion pads. As with all of our filled products, they are designed and manufactured to last a very long time. They provide excellent comfort, softness and appearance in addition to being hypoallergenic, anti-dust mite and washable at home. They are all that you could ask for in a cushion pad. Homescapes cushion pads are available with two types of filling, duck feather and super microfibre.

Duck Feather Cushion Pads

100% Cotton Anti-Dust Mite Casing, Washable at Home, Long Lasting.
SF1213

Small white duck feathers encased in a 100% cotton anti-dust mite fabric, makes them very healthy. These cushion pads will serve your home for a very long time. They are washable at home, making them very easy to care for. Beware of so called "Curled" feathers, as used by some brands, as curled feathers are mechanically broken larger feathers which result in lots of residual feather dust. Homescapes cushion pads are only filled with soft, small, properly treated, complete feathers, meaning you are assured of top quality.

Super Microfibre Cushion Pads (5 Star Hotel Quality)

SF1214

Just like the Homescapes super microfibre pillows and duvets, these cushion pads were designed to serve as an alternative to real goose down at a fraction of the price. Homescapes Super Microfibre cushions are probably the softest and most tactile cushions available in the UK.

The filling is hypo-allergenic and cushion pads can be easily washed at home. Please do not compare these cushions with the widely available hollowfibre filled pads, Homescapes cushion pads truly are excellent quality and in a class of their own.

Homescapes recommends to buy the next size up of your cushion cover to allow a proper filling of the corners of your cushion covers.

Pamper yourself with...

100% Egyptian Cotton Bed Linen

Our bed linen comes in 200, 400 and an unbelievable 1000 thread count for the ultimate bedtime experience.

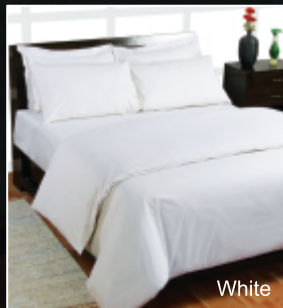

Beautiful 100% Egyptian cotton sheets, duvet covers and pillow cases from Homescapes are a treat for anyone who loves high quality cotton bed linen. This is the most sincere cotton bed linen available in the UK today. This claim is based on the fact that unlike most brands, we only use untwisted combed cotton yarn, which makes the fabric ultra-soft. This means that the softness of our bed linen improves with every wash. Our 200 thread count quality is equivalent to the 400 thread count quality of retailers who use twisted or 2 ply yarns. The second part of our claim rests on the workmanship. Our fitted sheets are elasticated all along the edges with 10" / 25cm depth as standard unlike most top brands (including department stores) who only use elastic on the corners.

Black

Cream

White

All of Homescapes sheets are manufactured using single combed yarns, therefore 200 thread count will be equivalent in density and softness to a 400 thread count weave elsewhere. As a result, these sheets will last for years. 100% cotton bedding does not create bobbles over time. It only improves in its texture and softness with every wash. Tens of thousands of British households who have used Homescapes bed linen will happily vouch for this.

200 Thread Count Egyptian Cotton Bed Linen

Homescapes bed linen boasts soft combed cotton with 200 threads per square inch, this is the most inexpensive bedding in our range, but is a better quality percale that you will find in most department stores. A perfect graduation from poly-cotton bed linen, as cotton sheets remain cool in summer and provide warmth in winter. Our Egyptian cotton sheets are very healthy as they can be washed at 60 degrees to kill dust mites and allergens. Our fitted sheets are available in two depths, 10" / 25 cm deep and 18" / 45cm extra deep. All of Homescapes 200 thread count bedding is available in a range of nine excellent colours: White, Cream, Black, Red, Blue, Pink, Plum, Chocolate and Teal.

Quality Bedding For Children

Homescapes has recognised that most of the pillows, duvets and mattress protectors available in the UK in toddler size do not do justice to quality. With this in mind this range now allows the parents to choose the finest bedding for their toddlers without having to worry too much about the price. This range is manufactured with care using very healthy anti allergen filling materials and 100% cotton casing which is anti-dust mite. All the products are washable at home.

Egyptian Cotton Water Repellent (Stain Resistant) Bedding

Homescapes has introduced a revolutionary and innovative concept of 100% water repellent (stain resistant) bedding. Most of us have compromised in the past and have been forced to use noisy, bulky and difficult to manage waterproof duvet covers or sheets. Here is a perfect marriage of 100% cotton fabric treated with a unique process which ensures it is noise proof as well as water repellent and stain resistant. This treatment is tested to twenty washes, and even after that, it will still provide the comfort of 100% cotton bedding. Its water repellence makes life very easy if there is a danger of spillage etc. This range is designed with children and the elderly in mind, but also takes into account the fact that some of us do occasionally like to enjoy a drink in bed. Now you can enjoy drinks in bed without worrying about it spilling, as any spillage can be wiped clean easily. The fabric is high (200) thread count Egyptian cotton which makes it very soft and comfortable. As it can be washed at 60 degrees, this is one of the healthiest bedding solutions available. This product offers the convenience of water repellence with the comfort of cotton. For mattress protection, we recommend that it should be used in conjunction with a waterproof mattress protector. Homescapes has introduced fitted sheets, flat sheets, duvet covers and pillow cases in this 100% cotton water repellent range. Available in White, Cream, Pink and Blue colours.

100% Cotton

Organic Bedding

400 Thread Count
 Anti Dust Mite

100% cotton organic bedding from Homescapes consist of fitted sheets, flat sheets, pillow cases, duvet cover and mattress protector. All the sheets and duvet covers are made in a high quality 400 thread count cotton fabric, whereas the mattress protector is manufactured using a 200 thread count 100% cotton fabric. This range is easily much more superior to what is available on the high street or online and also has the additional benefit of being organic.

Homescapes organic cotton range of textiles is manufactured with quality cotton fibre produced in organic cotton farms. These farms use traditional farming methods, such as crop rotation, organic manure and the use of beneficial insects. The idea is to produce cotton without damaging the environment or anybody's health in the process. The quality of cotton is better since it's handpicked and this basic process allows only the best of the fibre to be spun with minimal impurities. Homescapes organic cotton is farmed in India.

Blue
SF1179

These string curtains look very stylish for partitions, internal doors or for keeping the flies or insects out. These can be easily cut to size if required. These curtains are hand woven by Homescapes on traditional handlooms in India. A special feature is the beautiful header of these curtains (where the curtain rod goes). Such a woven header lasts longer and looks much better than a stitched one on mass produced string curtains. Available in a wide selection of colours.

HOMESCAPES SOLID WOOD FURNITURE

Expect pure quality and nothing less from Homescapes solid wood furniture. There are several reasons which set this furniture apart, a few of them are:

- Hand crafted with 100% Solid Wood without using any man made chip boards, veneers etc.
- Strong sturdy drawers, made of 100% Solid Wood, well designed for most demanding storage requirements.
- Well thought designs, for example, the TV units always have large storage space for DVDs and shelf space for all attachments. Similarly all other furniture articles have been thoughtfully designed incorporating feedback from our customers.
- High quality surface finish, ensuring that the grains of real wood are accentuated whilst keeping the originality of hard wood furniture.
- All hard wood furniture is designed, manufactured, imported and delivered by Homescapes, meaning you get very high quality furniture at a very reasonable price.
- You can easily customise the sizes and even the designs without spending a fortune a unique service offered by Homescapes. Just ask, send us an email or call us with your size & design requirement and leave the rest to us.
- The proceeds from the sale directly helps the craftsmen and their families. Your purchase will make a difference.

These pictures have been provided by a proud owner of Mangat Tall TV Unit in the south east of England.

Delivery Policy

Over 99% of smaller items (excluding furniture) are shipped within 24 hours (not including weekends) from our warehouse. We use next working day delivery service at NO EXTRA COST. Furniture deliveries are usually completed within one to three weeks provided the item is in stock. We do however notify you the provisional delivery schedule if the item is temporarily out of stock. Homescaples will endeavor to keep customers informed at all stages of delivery.

Returns Policy

If you are not entirely delighted with the products that you have chosen you may return them to us within 14 days of receipt. We will be more than happy to offer you an exchange or a refund provided that the products are returned complete in saleable condition, unused and with the original packaging. Homescaples Europa Ltd accepts no liability for any cost incurred on the return of goods, unless in the opinion of Homescaples Europa Ltd, the goods are deemed faulty. Furniture delivery is highly subsidised by Homescaples and the full delivery charge will be deducted from refund. For further details please visit www.homescapesonline.com
